### Notice!

#### Ship Building Bounty!

I am instructed by the Government that it is their intention to submit to the Legislature at its next session a Bill to limit the class of vessels entitled to Bounty from the Government under the present Shipbuilding Bounty Law. Hereafter Bounty will be payable on vessels not exceeding 120 tons gross measurement. Vessels exceeding 120 tons gross will not qualify for any Bounty whatever. It is intended that the Regulations shall apply to all vessels of which the keel has been laid at the date of this notice; but all vessels, the keels of which are not now laid, shall come within the scope of the proposed new Regulations, and shall not be entitled to Bounty when the vessels exceed 120 tons gross measurement.

#### IF YOU BUY ENVELOPES

YOU WILL SAVE MONEY BY BUYING THEM HERE.

OUR CHALLENGE ENVELOPE at \$2.30, \$2.50, \$2.70, are, we believe, the best envelope value in town to-day. THE CHALLENGE comes in 3 sizes—small, medium and large; the small at \$2.30, medium at \$2.50 and the large at \$2.70. THE CHALLENGE is a good, strong, oblong, commercial envelope, good enough for your own use, and a splendid one for retail. We have sold over a million of them in the last 12 months.

Our APEX Envelope at \$2.50 and \$2.70 is the same shape as the Challenge, but it is a better grade envelope, with a very smooth surface and well finished. It is an ideal envelope for retail purposes. We have over half a million of these two grades in stock.

Our No. 6602 BARONIAL is a good, smooth-finished, strong, square envelope. We have it in cream and in white at \$3.50 per thousand, and at this price it is worth while seeing. If you use or sell square envelopes.

Some persons prefer a Colored Envelope. If you are one of these persons we can give them to you in red, yellow, green or pink; good large size well finished commercial envelopes, something distinctive for you at \$2.00 per thousand, and extremely good value, and when printed look most attractive.

We are also selling a cheap Manila Envelope, if you are interested in getting them cheap for ordinary use. We have all sizes in Pay and Coin Envelopes; we have all sizes in White and Cream Pencil Envelopes; we have all sizes in Linen Lined Envelopes; we have all sizes in Square Envelopes; we have all sizes in thin Opaque Envelopes for foreign correspondence; in fact we have more envelopes than you have seen at any one time at any one store. The qualities are good and the prices are right. If you buy your Envelopes at Dicks & Co. Ltd., you get just what you need, and you get them at the right price.

#### Four Main Things to be Remembered:

**SAFETY**—Every share we market is backed by a Bond, itself backed by a \$2,000,000 Company, that has Hundreds of Millions of Dollars behind it.

**PERMANENCY**—We do not offer investments that pay to-day and die to-morrow. That would be Business Insanity. Our Perfection offering, for instance, will be paying dividends just as long as rubber trees are used and longer.

**GROWTH**—From practically nothing to hundreds of acres of land and expensive plants fitted with costly machinery, employing hundreds of skilled workmen to build the one and only ASBESTOS FABRIC TIRE, to fill a waiting market—has been the visible growth of the Company. Its greatest growth is still ahead of it.

**EARNING POWER**—To-day ONE PER CENT. MONTHLY DIVIDENDS are being paid. That will increase to TWO per cent, and then FIVE, and later TEN, and right up to TWENTY PER CENT. MONTHLY as the years go by. All the other Tire Companies have done it under less favorable conditions, and what others have done, logically Perfection can do.

YOU CANNOT SUCCESSFULLY DISPUTE THESE STATEMENTS.
