

THE MURDERER WEAREN.—The reporter of the Ottawa Citizen visited the County Jail on Thursday, and found Wearen walking in the corridor, with that nervous agile step and movement peculiar to him. His health is good and he is allowed to read the newspapers. No other prisoners are allowed in the same tier of cells with him, nor is he allowed to go into the prison yard. He spends most of his time in singing and whistling, and is in general restless. Buckley takes things quietly, and is supplied with Duggan, Doyle, Slattery, Enright, Egleston, Duddy, Thomas and Henry Murphy, O'Callaghan and Kinsella. All are in good health, but complain that they have been kept so long without a hearing.

FENIAN MOVEMENTS.—Canadian residents in the United States again give warning that the Fenians are prepared for a hostile movement, and that a raid on Canada may be set down as a certainty before the summer is over. The warning comes from various parties.

India & China Tea Co.
 Home Depot at London and Liverpool. Canada Depot, 23 Hospital Street, Montreal.

THE India and China Tea Company beg to call the attention of the Canadian community to their directly imported Teas, which for purity and excellence will be found unequalled.
 The Company have made arrangements whereby they have secured the entire produce of some of the best plantations in Assam, and on the slopes of the Himalayas, and by a judicious blending of these magnificent Teas with the best varieties of China produce, they are enabled to offer to the public Teas of quality and flavour hitherto unknown to the general consumer. These Teas are in high favour in England and France, and a single trial will prove their superiority.
 The Company supply two qualities only, either Black, Green or Mixed. Their Black Teas will be found to possess great briskness and flavour, combined with colour and strength, and to be entirely different to the flat and rapid article usually sold as Black Tea; while their Green Teas are altogether free from the deleterious mineral powder so commonly used for coloring the leaf.
PRICES: High full-flavoured Tea for family use a real genuine and fine article 70 Cents per lb. Finest quality pure Oolong, one dollar per lb.
 The above can be had either Black, Green or Mixed, in Quarter Pound Half Pound, One Pound, and upwards, or in the smaller quantities of 1/2 lb. and upwards, in the Company's agents in all the chief towns of Canada.—N. B. All the packages are lined with tin foil paper, and the Teas will consequently retain in its flavour any length of time.
OSAWATON.—All packages have the Company's trade-mark, without which none are genuine.

 SHARE CAPITAL \$4,870,230
 Paid for Goods in one year 15,315,449
 Received for Goods in one year 16,895,135

On a capital of about four millions of dollars they do a business of about sixteen millions of dollars, and are thus enabled to sell at a profit of 4 per cent. instead of the usual profit of 15 per cent., and their customers save \$2,785,150 annually, besides receiving a share of the profits.
 The subscribers have conducted their business on the same principles, with nearly the same results. Their business has rapidly increased, which has enabled them to turn over their capital four times a year, and sell at one-fourth of the profits of merchants, who only turn over their capital once a year.

Besides Paying a DIVIDEND to their Customers.
 In proportion as the business increases, prices will either be reduced or larger dividends paid.
