## Stable Fittings of Intrinsic Value

## "SUPERIOR"

From time to time  
other makes of Stable  
Fittings have tried to dis-  
pute the place and pres-  
tise of the SUPERIOR, but  
comparison has invariably  
served rather to quicken  
a realization of its Superi-  
ority. There never has  
been, there will never be

in the minds of most men—any acceptable substitute for inimitable quality. The universal adjustment, the rotating feature, the lock-open device, the swivel slide, the gravity lock and the close bottom connection of the Stanchion, the double curve partitions, the non-binding swing post, the boltless clamp, the individual lifting and hanging partitions, the self-regulating water bowls, the incomparable charm of the distinctive design, the utter perfection of the most minute details in equipment of a cow stall—these features of the SUPERIOR are of irresistible appeal to you who seek the fullest measure of Modern Stable Equipment service.

There is surely some fabric in this variety that will suit you as perfectly as if you had been at the mills and said, "Make this for me."

Let us make you smart, individualizing suits at values you couldn't equal at any ready-made house in the country.

## PORT BRUCE.

The sad tragedy that took place near Delhi on Saturday last in which four of Malahide's worthy citizens lost their lives, has cast a gloom over this section, where they were well known. Deep sympathy goes out to their relatives from the people of the Port.

The severe storm of Friday night and Saturday caused heavy loss to the fishing firms here. On examination of the nets since the storm, they find that so many stakes were carried away and the nets so badly torn up that they will not be able to use them again this year.

## LAKEVIEW.

A deep gloom has overcast this neighborhood since the sad calamity which befell Mr. and Mrs. J. F. Marr and Mr. and Mrs. E. B. Cohoon at the Delhi crossing last Saturday morning, and it is hard to realize that they will never more be seen among us. The whole church, of which they were all faithful members and willing workers, Mr. Cohoon being a deacon, will deeply mourn their loss and extend heartfelt sympathy to the bereaved relatives. With the exception of Mrs. Cohoon, all have been life-long residents of this place, and she by her exemplary and noble life had become as dear to us as they. Rev. Andrew Smith, of this church officiated at the burial services and twenty-four of the life-long friends of the deceased, headed the large cortege to the Aylmer cemetery as pall bearers. A memorial service will be held at the church here on Sunday next. The anniversary services of the church, which

## The Shadow of Broken Health

Can be Quickly Dispelled Through  
the Use of Dr. Williams' Pink  
Pills

When the shadow of poor health follows your life; when hope begins to fade and friends look serious, then is the time you should remember that thousands just as hopeless have been cured and restored to the sunshine of health by the use of Dr. Williams' Pink Pills. These Pills actually make new, rich blood which brings a glow of health to anaemic cheeks; cures indigestion, headaches and backaches, drives out the stinging pains of rheumatism and neuralgia, strengthens the nerves as no other medicine can do, the aches and pains from which womanfolk alone suffer. In any emergency of poor health give Dr. Williams' Pink Pills a fair trial and they will not disappoint you. Here is a case that will bring hope to many a weary sufferer.

Mrs. E. C. Taylor, Ascot Ave., Toronto, says: "A few years ago I was so run down with anaemia that I could scarcely walk about the house, and was not able to leave it. I had no color; my appetite was poor and I was constantly troubled with headaches, dizzy spells and general disinclination to move about or do anything. I tried many medicines, but none of them helped me, and my friends thought I was in a decline. One day a friend who was in to see me asked if I had tried Dr. Williams' Pink Pills. I had heard of this medicine often, but had not used it, so I determined to give it a trial. I certainly got a pleasant surprise, for after using two boxes I could feel an improvement in my condition. Continuing to use these pills I began to regain my health, the headaches and dizzy spells were disappearing, and I began to gain in weight. People began enquiring what I was taking and I was not slow to give Dr. Williams' Pink Pills the credit. I took the Pills for less than two months, and completely regained my old time health and strength. I hope my experience may convince some doubting person as to the great merit of Dr. Williams' Pink Pills, as I certainly have cause to be a firm champion of them."

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

were to have been held on the 5th and 6th, will be indefinitely postponed. Mr. and Mrs. John Jacobs received a cablegram on Thursday last from England stating that their son, George, who had been seriously injured in the thigh and arm was in a hospital there. George went overseas with the 33rd Battalion from London, and was transferred to the C. M. R. when sent up the line. He was an Englishman by birth and under 20 years of age when he came to Canada 4 or 5 years ago with his parents. When the call came to fight for his country he promptly responded.

After a week's illness, Master Willie Smith, aged 10, passed away at the home of his parents, who have been living on Mr. James Bennett's farm for the past year. Although strangers to many in the neighborhood, all feel great sympathy for the bereaved parents.

Mr. Walter Chalk, of Detroit, visited his brother, Mr. George Chalk, at the week end.

Miss Alice Saxton, of Eden, spent the week end at her home here.

A number from here motored to Aylmer on Sunday morning to meet the 11:15 Wabash hearing the remains of Mr. and Mrs. Cohoon and Mr. and Mrs. Marr.

## SOLDIERS ARE WELL FED

Hard to Get Souvenirs Writs Sgt. Ernest Chute.

In a recent letter to his mother, Mrs. Ney Chute, of Lakeview, Sergt. Ernest Chute, who has been in the fight for months, tells some interesting details of doings over the pond. Canadian Base Hospital, Oct. 1.

Dear Mother and All:—

Just received a bundle of letters the other day with four from home, dating from August 10th to 30th. I suppose H. L. and Spencer think they had some experience. Well no doubt it would be rather startling in that neighborhood.

I don't know just when I will be going back up the line, but no doubt it will be some time soon. I certainly hope we will be able to keep the Huns on the move now that we have them started.

Don't expect to be able to send home any souvenirs until I get to England again, as all these things have to pass the censor and most souvenirs of any intrinsic value are not allowed through the mails.

We get fed pretty well considering there are so many to be fed. We get tinned goods mostly, such as meat, vegetables, bully beef, jam or marmalade, also bacon, bread and butter, by name at least, and if we require more, of course we can procure some quite easily, excepting of course when we are in action.

Of course I am not allowed at any time to state the whereabouts of the unit, but the Canadians are usually all on the same front, with certain exceptions which cannot be mentioned.

I do not know whether or no I will be going back to the same company, which I understand has suffered slightly during the recent activities.

I don't know when I will be back in it again, but will write again soon.

Yours affectionately, Ernest
