### CRISIS AT PEKIN

Foreign Minister Resigns Over Negotiations With Mongolia. [Canadian Press.]

Pekin, Nov. 14. - Lian Men Tiang, minister of foreign affairs, has resigned. The reason for his resignation, it is understood, was his refusal to comply with the wishes of the cabinet and begin negotiations with Russia cerning Mongolia, which Liang Men Tiang considered tantamount to recognizing the autonomy of Mongolia.

According to a Chinese report, Russia had pledged herself in secret agree-ment to help maintain Mongolian independence, extend the Mongolian territory to the Great Wall, and obtain international recognition of Mongolia as a new state. Mongolia was to grant to Russia railway and mining concessions and supervision of her foreign

The action arises from an article published on Oct. 28, relative to alleged statements made by Cawthorpe that Biggar would be a judiclary centre. The case has been adjourned till Nov. 27

# COUGHS

This year there is an almost un-

precedented rush of business to the old country . - the Christmas season, and it is expected that the Trans-Atlantic steamship lines will be taxed to the utmost to accommodate those contemplating the spending of the Yuletide season across the water. To meet the demand for accommodation the Canadian Pacific Railway cmpany will have two steamers leaving St. John, N. B., on Dec. 13: the large and palatial Empress Britain, also a steamer chartered of the Allan Line and bearing a very enviable reputation as to speed and fitness the Grampian. With two such steamers as these the company expects to give its patrons much bet. ter service than could notherwise be

offered Space on these Christmas sailings is being booked up very rapidly, and any intending passengers would do well to order berths as early as possible, thus insuring a comfortable trip to Britain for Christma...

### LABOR DISPUTES

Number of Strikes in October Double Those of Last Year.

Ottawa, Nov. 14.-The preliminary estimate of the number of labor disputes in October, issued by the department of labor, shows that the number of strikes was about twice as great as that recorded during the same month of last year, although there was no material change from conditions during the previous month of the present year. The dispute of coal miners in Vancouver Island continued throughout October, this being the only dispute in which a great number of men vere involved. About twenty-one disutes were in existence, ten of which ommenced during the month. Upwards of 4,300 employees were lved in these disputes, which caused a loss of about 98,000 working days.
