AMERICAN NOTE IS WIDELY DISCUSSED

British Press Is Pleased With Tone. But Differs On the Possible Results.

PART URGES BLOCKADE

Seeing Loophole For Full Action On the Part of Britain.

[Canadian Press.] London, April 6.—What has been called the Easter lull in the fighting is marked these days along both battle lines, except in the Carpathians, where the struggle for access to the Hun-garian plains is still going on. This relative quiet has given ample opportunity for the discussion by the British press of the American note in

the note, but there is great difference

of opinion as to the possible results. Various Views. Newspapers which from the first have advocated formal blockade of Germany, see a loophole in the note for acton or the part of the British Government If the city council and the citizens of leading to this end, while others express the feeling that a fuller under standing by the United States of the ciety it would be possible to give the British position will lead to acquiescitizens a more efficient service. The cence to the present order-in-council. Unofficial Austrian news reaching society is at present doing more work London by way of Paris declares that than in the past, but the city has not the Austro-German forces in the vicinincreased its grant. Last year the city ity of the Lupkow Pass are in full retreat, but all other reports from this penses, under existing conditions, are in the neighborhood of \$600, which has section of the eastern line indicate that the opposing armies are still locked in

a daidly grapple. Conflicting Reports.

Berlin Correspondent Says Result In Carpathians Cannot Be Foreseen.

CONSOLATION IS OFFERED

Tells People To Look To the Other Points of Great Struggle.

[Canadian Press.] Berlin, via London, April 6-10:45 a.m.

-The outcome of the great battle in the Carpathians, which has lasted so many weeks, cannot yet be foreseen, according to the special correspondent at the front for the Tageblatt. He argues that the party taking the offensive against a party equipped with strong positions to which it can retire when necessary always is the greater loser, and the farther it goes forward the greater are its losses. The correspond-

ent says: "There is, therefore, always the wellbased hope that if the Russians advance Newark, N.
