thing worse. Two more such cases have just occurred. Mr. Poe Watts, who gave his checks for grain, but had no funds to meet them, was to be tried at the Court now sitting, but failed to appear. McKenzie, the clerk of McKenzie & Co., is a defaulter to the amount CANADA WEST, Sept. 6, 1884. DISASTROUS FIRE IN TORONTO.

MATTERS IN MONTREAL.

On Sunday, a.m., the 28th alt., Toronto was visited by the most disastrous fire that has beallen the Queen City since the destruction of af \$32,000.

the Rossin House. About 6 o'clock, a.m., MILITARY MOVENENT. the Rossin House. About 6 o'clock, a.m., the night watchman having just left, the day watch having taken charge, on making his rounds thought he smelt smoke. He went at once to the elevator and found the first Friday, from Montreal, where the squadron at once to the elevator and found the first spartment he entered full of smoke. No fames were yet visible though the smoke was so dense that no living being could exist in it. The building was almost air-tight, but the opening of the door gave ingress to the air, and sent the whole inte a finme. The alarm was speedily given and the steam fire engines were almost instantly on the spot. By the time of their arrival, however, the fire had gained a fearful impetus, and notwith-standing the unlimited supply of water, drawn immediately from the Lake, the two powerful engines were unable to subdue the

powerful engines were unable to subdue the fery monster, which soon "gobbled" up this

The weather is now most delightful; we have had some splendid rains, and the fields are again putting on their spring garb. Grain is all well secured, and although not lendid and useful building. The structure, ough of wood, was a most substantial one, heavy, is a fair crop ; quality first class. Root crops improving finely. ing a large amount of food for the insatiable monster. It was covered on the out-

side with sheet iron-Canada plates-strongly rivetted to the wooden frame work. This easing, doubtless intended for its protection, HOMICIDE IN AURORA.

From evidence adduced before the Corohastened its destruction. It prevented the water taking effect, and as the inside burned out the iron casing remained almost entire, nalist, and became so desperately enamored Albuma water taking effect, and as the inside burned out the iron casing remained almost entire, and acted as a huge chinney to the burning volcano. The elevator being so substantially built, bound together with iron bars, was com-sumed to a shell before it succumbed to the devouring element. The intense heat con-sumed the binding bars like stubble, and the great weight of grain bursting through the shared side-walls was precipitated into the Bay in such quantities that if filled it almost to a level with the wharf. The floursheds Bay in such quantities that it filled it almost to a level with the wharf. The floursheds were also totally consumed with about four-hundred barrels of flou. Notwithstand-ing the unlimited supply of water and the praiseworthy efforts of the firemen, the powerful steam engines with their double jets of water each, made no impression on this thoroughly investigating the matter, the towering pyramid of flame. All was con-Coroner's jury rendered a verdict that the act

sumed, elevator and all its machinery, flour of W. B. Lake was justifiable homicide. The Aurora Times, September 28th, says: We are called upon to-day to chronicle another of those terrible deaths by violence ted loss is elevator, owned by Mr. Sheddon \$50,000; whart and sheds, Grand Truck \$30,000 ; oats, about \$11,500 ; corn, \$10,000 which have given Aurora such a featful re-putation abroad. Last evening, about seven wheat, \$5,000; flour, \$2,450; in all \$109,-450. Total insurance, \$40,000. Luckily the less falls on a number of individuals, Mr. o'clock, as O. E. H. Wheaton, an old citizen Sheddon suffering most severely. The fire was suddenly shot and killed by William B Lake, of the Pioneer Book store. The

shooting took place in front of Finlayeon's dry goods store, between Antelope and Silver streets. No altercation occurred; not a word passed between them, and we do not believe that the murdered man saw Lake or knew MORE FIRES London the less, famous for pyrotechnical exhibitions, has had another fire, toss \$1,600. Brantford, equally notorious, has also sus-tained a loss by the destructive element, tained a loss by the destructive element, damages \$15.000. Also Barrie, the county town of Simcoe, loss \$10,000. There has been an immense conflagration in the Hud-been an immense conflagration in son Bay territory, Lake Superior, where mil-lions of acres of timber and hecatombs of fur-bearing animals have been destroyed, As this last loss falls on a company not very popular in Canada, we do not feel as if we filling his face, throat and breast with shot. The second discharge, as he was falling, shattered his right arm and entered his side. popular in Canada, we do not seel as it we could weep our eyes out at this calamity but it is stated to have been a fearful destrue-tion of both the *flora* and *fauna* of that region. but it is stated to have been a fearful destrue-tion of both the *flora* and *fauna* of that region. but it is stated to have been a fearful destrue-tion of both the *flora* and *fauna* of that region. but it is stated to have been a fearful destrue-tion of both the *flora* and *fauna* of that region. but it is stated to have been a fearful destrue-tion of both the *flora* and *fauna* of that region. but it is stated to have been a fearful destrue-tion of both the *flora* and *fauna* of that region. but he was beyond all medical skill Described from the British army-if we or aid. In five minutes from the shooting can credit the reports—is increasing at a charley Wheaton was a dead man. Without fearful rate. A very large proportion of the a moment's warping or preparation his soul fearful rate. A very large proportion of the time of our police magistrates is taken up in trying soldiers for attempting descrition, or of the crimps with whom our country ap-pears at present to be full, for enticing sol-diers to descrt. I must conless that I think pipe to the truck him. Some excitement ensued after the occurrence, owing to the failure of diers to desert. I must contest that I think nine tenths of the cases are got up by our military protectors for their own special be-nefit, to give them a standing with their offi-eers that their usual conduct cannot procure for them. for them. There has been a coart martial held in Hamilton, when two soldiers were condemned was wholly unnecessary, however, as the was wholly unnecessary, however, as the warmest friends of the young man would to be that for desertion and fot firing on their have bitterly opposed any resort to mob vioto be shot for desertion and fot firing on their comrades sent in pursuit. A petition signed by 1600 people and presented by Bishep Farrell to the Commander-in-Chief, Sir W. Williams, for a commutation, has been agreed to, and the sentence commuted to imprison-ment for life. I object not to this although it is absolutely necessary to preserve dia-eipline; and a deserter is a most miserable, low fellow, deserving of no compassion. In the Oveen Victoria steamer and are explained for this reason Mr. L. has the sympathies of many of our citizens. However great the provocation, and whatever extenuating circumstances may be found in the prisoner's favor, it must be admitted that he wreaked in the Queen Victoria steamer, and are ex- his vengeance in a tearful and cowardly his vengeace in a tearful and cowardly manner. Mr. Wheaton was an old man, 54 deputies are Cartier, Brown, Macdonald, Galt, McDougall, Campbell. McGee, and Langevin. It is as yet impossible to form any idea what may be the result of this delibera-tion. New Painting Orgices.—The premises
