HUSBAND SAVED HIS WIFE

Stopped Most Terrible Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Denison, Texas. "After my little girl was born, two years ago I began suffering with female trouble and could hardly do my work. I was very nervous and just kept dragging on until last summer when I got where I could not do any work. I would have a chill every day and hot flashes and dizzy spells and my head would almost burst. I got where I was almost a walking skeleton and life was a burden to me until one day my husband's step-sister told him to get my medicine. So he got Lydia E. Pinkham's Vegetable Compound for me, and after taking the first three doses I began to improve. I continued its use, and I have never had any female trouble since. I feel that I owe my life to you and your remedies. They did for me what doctors could not do and I will always praise it wherever I go."—Mrs. O. G. Lowmyer, 419 W. Monterey Street, Denison, Texas.

If you are suffering from any form of female ills, get a bottle of Lydia E. Pinkham's Vegetable Compound, and commence the treatment without delay.

WARNING NOTE.

The Family Herald and Weekly Star of Montreal are this week publishing a warning notice that their offer of a great war map is shortly to be withdrawn, and also advising subscribers to renew promptly, otherwise they may miss a copy or two as the enormous increase in expense of publishing compels them to cancel promptly all expiring subscriptions. The Family Herald and Weekly Star at \$1.25 a year, including their great war map, is wonderful value, and those who fail to take advantage of this offer now are sure to be sorry. There has been an enormous demand for that paper and map this season.

NO MORE FROM RESTIGOUCHE.

Because of smallpox in Restigouche County, no more drafts will be taken for the present from that county. This makes the third county in New Brunswick from which no recruits are being taken until smallpox conditions change. The other two are Kent and Northumberland.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp; of dandruff, of a scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair as lots of it if you will just try a little Danderine. Save your hair! Try it!
