The Mayor was instructed to borrow from the Bank of Commerce on credit of uncollected taxes the sum of \$3123.43, to be invested in a sinking fund. COMPLETE

On motion of Messrs. Bryce and Stibbard the clerk was instructed to notify the Metropolitan Street Railway Company to remove their wires from the electric light poles, as it is considered dangerous to put carbons in lamps while the wires are attached to the poles. EFFECTS

Suburban Notes. The members of the Scarboro Council will confer with the York Township Council on Saturday in reference to placing the town line in a better condition.

The residents in the vicinity of Danforth and Broadview avenues think that the Street Railway Company should run a bus line from the corner of Winchester and Sumach-streets to Broadview-avenue, as there is not support to the corner of the c Sumach-streets to Broadview-avenue, as there is no way of reaching their several homes while the new tracks are being laid in Broadview. The request is a reasonable one and should be granted by the

A deputation of Little York residents waited on the Toronto Street Railway Company asking for the extension of the Gerrardstreet line to Little York. The company do not look favorably on the matter. The property holders between Withrow and Danforth-avenues are anxious to have gas in this locality. There are a large number of fine residences along the several streets in the locality named. The gas main stops at Broadview and Withrow-avenues.

NIAGARA, Ont., April 3.—Frank Archer, boot and shoe dealer, and Thomas Silence, a laborer, set out together from here Sunday morning, walking the track day morning, walking the track toward Clifton. They have neglected to return. Both leave wives here. Archer is said to be financially embarrassed, while the people cannot understand while Silence should go away. He is a pensioner. The village is excited over it.

Seiling Cigars on Sunday, Editor World: Can you inform your readers why some people in this city of ours seem to be able to do as they please and why Inspector Archabold takes no notice of them whatever? I know any number of cigar stores who are selling on Sunday right along and Archabold does nothing to stop them. I saw one last Sunday night with its lights in full play, so that no one could pass it without seeing it. It was not half a block from the corner of Teraulay and Queenstreets, and the police on the beat passed me as I passed the cigar store in full blast. Where is our busy inspector? Why does he allow such scandalous breach of the Sabbath Day Act to go unpunished? I thing, sir, such a state of things is a scandalous disgrace and ought to be put a stop to at once. seem to be able to do as they please and why

Parmelee's Pills possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, so great is the power of this medicine to cleanse and purify that diseases of almost every name and nature are driven from the body. Mr. D. Carswell P.O. Ont., writes: "I have tried Parmelee's Pills and find them an excellent medicine and one that will sell well."
