WARWICK.

Mrs. Robertson, of Forest, was the guest of Mrs. G. Hagle for a few days last week.

The crops in the vicinity of Birnam are making rapid headway, especially the hoe crop (weeds).

Pathmasters are urged to strictly enforce the law regarding cutting thistles and noxious weeds.

In the funeral notice of the late Mrs. Wm. Williamson her age was stated as being 49. It should have read 39 years.

Messrs. N. and T. Luckham, with their wives, have returned from Huron Co. Mich., where they have been visiting friends.

A garden party will be held at the Methodist Parsonage, Warwick Village this (Friday) evening. The committee will not fail to furnish abundance of strawberries and cream. All are invited to come.

Mr. John L. Luckham, son of Mr. T. Luckham, has passed his final examination in Pharmacy, and being a steady and pushing young man will no doubt meet with good success in his profession.

We understand that the action for damages against George Logan, brought by Vanderpool, the piano agent, for the former calling him hard names in Forest the other day, has been settled by Logan paying Vanderpool \$150.

Those gentlemen who brought their ladies as far as Birnam on Friday evening so as to get an early start Saturday morning, have our deepest sympathy in their sore disappointment. Of course the ladies did not mind it.

Mr. and Mrs. L. E. Bearn and Mr. and Mrs. Joe. Muma desire to convey their sincere thanks to their friends and acquaintances for their many kind actions during the illness and convalescence after the death of the late Mrs. I. Bearn, and hope that they will accept this intimation.

Royal Orange Lodge No. 516, Warwick, will attend divine service in the Methodist Church, Warwick, on Sunday July 6th at 10:30 a. m., when a sermon suitable to the occasion will be preached by Rev. Mr. Fallis. Brethren of surrounding lodges are cordially invited to attend.—Forest Free Press please copy.

The difficulty between Amasa Hagle and Vanderpool, the piano agent, has been settled. Vanderpool took the piano away and returned Mr. Hagle the paper he was supposed to have signed. This is only another warning not to sign papers presented by strangers. Farmers have had warnings without number regarding this matter, but they keep on biting.

Reeve Hall met with a heavy loss this week in the death of his well-known imported Clydesdale stallion "Touch and Go," which died on Tuesday at Chas. Cates, 6th line north. The horse was only sick for a short time, inflammation of the bowels being the cause of death. "Touch and Go" was valued at \$1,500 and was one of the finest horses of his class in Ontario. Kingston & Sharp's "Clark Maxwell" was also dangerously ill this week but is now recovering.

Early Saturday morning the weather presented a most disheartening appearance to those of our young folks who had made arrangements to spend the day at the Kettle Point picnic grounds. Before eight o'clock, however, the heavier rains of the early morning had dwindled down to what is known as a Scotch mist, and finally the mist cleared away, and a number of the Birnam boys, who always make it a point to fulfill their engagements (especially with the ladies) attached their drivers to their carriages and hied away to the homes of their lady friends and from thence proceeded to the pleasure grounds on the shores of Lake Huron. Very shortly after mid-day the clouds rolled by, and truly the sun never shone on a more peaceful sea than was presented to the view of the pleasure seekers there assembled. The Indians seemed even more amicable than usual and granted them the use of their boats and other accommodations at very reasonable rates. The boats were kept in constant use and all present expressed themselves as having a most enjoyable day.

Farmers' Institute.

The eleventh annual meeting of the East Lambton Farmers' Institute, was held at Forest on Thursday, June 26th. The program was as follows:

Opening address, R. Stutt, President.
Our Apple Orchard, W. Wight.
Under-draining, A. A. McTavish.
Present state of Ag'l. depression, Editor, *Farmers' Advocate*.
Ebullage, A. A. McTavish.
A talk on Farmers' Institutes, D. S. Robertson.
The horse for Canadian Farmers to breed, Editor, *Farmers' Advocate*.
How the plants grow, Jos. Osborne.

A discussion followed each subject. Officers were elected at the Directors' meeting in the afternoon.

BROOKE.

Sixth line farmers have commenced haying.

Miss Tena Lightfoot, has returned from a visit to Warren Centre, Pennsylvania.

Prof. Salley, of Hillsdale Mich., preached in the Freewill Baptist Church, morning and evening, Sunday last.

Miss Harris, teacher, and scholars of S. S. No. 4 Brooke, drove to Mr. Woods' picnic Friday last.

The new school house in S. S. No. 21, has just been completed by the contractor, Mr. John McWaters, of Watford. The trustees have given Mr. McWaters a high recommendation for the first-class workmanlike and satisfactory manner in which he performed the work.

At the recent session of the County Council, Reeve Conn. Alvinston, and Reeves Johnston and McLean, of Brooke, were successful in securing a grant of \$1,000 to be added to a like sum from the County of Middlesex for the erection of a county bridge across the Sydenham on the 3rd. con. of Brooke. This desirable result has been the subject of largely signed petitions from the Brooke farmers within the past two years. Happily the matter has been at last satisfactorily settled.

There will be an S. S. picnic of the various Sabbath Schools of the Brooke circuit and the Sabbath School of the Salem appointment and Napier circuit held in the woods of Mr. J. Lett, 12 con. of Brooke on July 1st, 1890. The company will meet on the ground at 10 a. m., so as to have dinner over with at 12.

After dinner the younger portion of the company will have ample time given them for swinging, gathering flowers, etc. etc., and the older ones to settle down and discuss the questions of the day, both civil and political.

There will be an abundance of music and we hope some good recitations.

The following gentlemen are expected to deliver addresses—Revs. Hay, Gundy, Philp, Graham, Thompson and Fallis. The medical faculty will be represented by an address from Dr. Harvey.

The officers, teachers and friends generally purpose doing all they can to make this the picnic of the season.

Friends from a distance bringing their baskets will receive a right royal welcome from any school of any denomination as well as those within the bounds of the circuit.

NAPIER.

On Friday night a heavy thunder storm passed over this vicinity, doing much damage to the crops.

The Methodists purpose having a garden party on the lawn of Mr. Winters on Thursday evening. A good time is promised by the committee.

Rev. James Gundy will preach in the Methodist Church for the next three years. Mr. McCutcheon, the present pastor, will labor at Enniskillen.

July 1 the Presbyterians will hold their annual picnic in the grove. Besides an interesting program, there will be a base ball match and many other games and amusements.

During the thunder shower on Sunday forenoon the barn of Mr. Henry Hawken, of the 8th line, was struck by lightning, and, together with a large quantity of implements, was totally destroyed.

The local base ball team is again at work. The first match of the season was played on Saturday with the Diamonds of Appin, which resulted in an easy victory for our boys; score, 25 to 1. Last Saturday they crossed bats with the Greenbacks of Glen Walker, and again carried off the honors; score, 33 to 4. They are now open to accept any challenges.

The members, adherents and friends of St. Andrew's Church, Napier, will celebrate Dominion Day by holding their annual picnic in the Cameron grove immediately north of the village. The usual excellent dinner prepared by the ladies of the congregation will be in readiness at 1 o'clock p. m. A splendid program may be expected, consisting of music, glee, solos, readings, speeches, etc., music by the pleasure party of Alvinston and Napier. Olee and solos by friends from London, Alvinston, Watford and other places. Speeches by some of the best talent available from Strathroy, Glenoe and the places as above stated. Base ball game between Glenoe and Napier; a brilliant contest is expected. Game to be called off at 3:30 p. m.

WISBEACH.

Mrs. Percy Crummer and Mrs. John Watson spent Sunday with friends in Sarnia.

KERWOOD.

Thos Carter, the great North of Ireland fifer, is open for an engagement for July 12th. Tom blows in great shape, and some of the local lodges should secure him before it is everlastingly too late.
