

THE
FAIRY-LAND OF SCIENCE.

BY

ARABELLA B. BUCKLEY,

AUTHOR OF "A SHORT HISTORY OF NATURAL SCIENCE,"
"BOTANICAL TABLES FOR YOUNG STUDENTS," ETC.

ILLUSTRATED.

~~~~~  
"For they remember yet the tales we told them  
Around the hearth, of fairies, long ago,  
When they loved still in fancy to behold them  
Quick dancing earthward in the feathery snow.

"But now the young and fresh imagination  
Finds traces of their presence everywhere,  
And peoples with a new and bright creation  
The clear blue chambers of the sunny air."  
—*Folk Lore.*
