An interesting summary of mission work in islands of the sea will be found in the *Missionary Review of the World*, July, 1896, p. 534. We would again refer our Bands and indeed all in search of information to the series of "Studies on the New Hebrides," by Miss Ferrier, Caledonia, in THE LETTER LEAFLET for 1890. "Mr. Greatheart," the title of a vivid sketch of Dr. Geddie's life and work, is for sale by Mrs. Telfer. (See list of publications.) The annual report of the F.M. Committee of our Church also contains valuable information on this field to date.
