Would you choose for your boy or girl a college that has

1. An up town location. Large, bright, airy rooms. No noise, no dust, no smoke. No hotel, pool or billiard room in the vicinity.
2. A private elevator. No continual stair-climbing.
3. The best of accommodation in private homes for its students. No car fares.
4. Trained teachers, experts in every department.
5. A system of purely individual instruction. This guarantees the most rapid progress.
6. Practical business men who have themselves been employers, to train the students specially for office work and business life.
7. Courses in High School subjects in addition to the ordinary Commercial School work. Instruction by mail when desired.
8. At the disposal of its graduates more good positions than it can possibly supply.
