**BRITISH AMERICAN COMMERCIAL COLLEGE**  
 LOCATED IN TORONTO AND HAMILTON,

**DESIGN** to educate young men for business, and prepare them for the duties of Practical Accountants.

The Proprietors of this Institution take great pleasure in announcing to the young men of Canada, that they have opened a Branch of their College in the City of Hamilton, C. W., where the same course of Practical Instruction which has met with such success in Toronto will be given. This course of instruction combines practice with theory, and embraces everything necessary for the book-keeper and business man. The branches taught consist of Book-keeping by Double and Single Entry, adapted to all kinds of business, such as Mining, Milling, Manufacturing, Wholesale and Retail Merchandising, Forwarding and Commission, Foreign Exchange, (a set where the books are kept partly in sterling money), Railwaging, Steamboating, Banking, Commercial Law, Commercial Arithmetic, Commercial Correspondence, Spelling, Telegraphing, and Phonography.

To the young man just setting forth into the business world, a thorough knowledge of these branches is a sure means of rapid promotion.

To the man in business, or to the one about commencing, a knowledge of these branches is indispensably necessary to a successful business career.

The actual Business Department is furnished with a Bank, conducted on the same principles as our favourite Banking houses, where the Students make their deposits of money, and Notes for Collection and Discount, and on which they draw their Cheques, Drafts, &c. A Merchant's Emporium or Wholesale Establishment, where the first purchases of Merchandise, Groceries, &c., are made. This is a representative of one of the largest Wholesale Houses in the City of Toronto; the books, ten in number, being kept on the same principle; and an Exchange Office for the buying and selling of a depreciated currency. A thorough knowledge of this branch has become absolutely necessary to almost all classes of business men and accountants. This Department is under the charge of a Teacher who has had years of experience as a Practical Accountant.

Our Board of Examiners is composed of practical business men, whose names to a Diploma are sure guarantees of efficiency and employment.

Students can enter at any time.
