

ART STUDIO.—No written description will convey an idea of the grandeur of our scenery equal to that which may be obtained by a half-hour visit to the studio of Mr G T Brown, of this city, who has employed himself during the last six months in making oil-paintings of many strikingly beautiful landscape scenes both on the Island and Mainland. We hope that the artist will meet with that substantial encouragement which the merits of his work deserve.

A. & W. WILSON,
(ESTABLISHED 1861)
