PROFESSOR LOW'S MAGIC SULPHUR SOAP—Healing, soothing and cleansing for all eruptive diseases of the skin. Delightful for toilet use.

Scientific and Useful.

A GOOD SOUP.—A knuckle of veal stewed in milk, with rice, very delicately flavoured with lemon peel, makes a nourishing broth when beef tea is disliked.

DELICATE CAKE.—Take one cup of butter, two of white sugar, four of flour, one of sweet cream, the whites of eight eggs and one-half teaspoonful of baking powder: flavour with lemon or rose water.

We find Campbell's Cathartic Compound the best article we have ever used for Costiveness or Bilioussness, and easy to take.

SALLY LUNN WITHOUT YEAST.—To a quart of flour add four eggs beaten up with one cup of sugar, one pint of warm milk, with a tablespoonful of melted butter in it, and two and a half teaspoonfuls of baking powder. Bake in "Turk's heads" like sweet cake, but serve hot for breakfast, putting it on the table whole.

A PEAR COMIOTE—Wipe, but do not peel the pears; steam them until they are tender, take them from the steamer, put them in a pudding dish; add enough water to almost but not quite cover them, and a cupful of sugar to a quart of pears. Set them in the oven for some fifteen to twenty minutes. Quinces are also nice served in this way, only they should be peeled and cut in halves.

THE breath of a chronic catarrh patient is often so offensive that he cannot go into society and he becomes an object of disgust. After a time ulceration sets in, the spagy bones are attacked, and frequently, entirely destroyed. A constant source of discomfort is the dripping of the purulent secretions into the throat, sometimes producing inveterate bronchitis, which in its turn has been the exciting cause of pulmonary disease. The brilliant results which have attended its use for years past properly designate Ely's Cream Balm as by far the best, if not the only real cure for hay fever, rose cold and catarrh.

A LEMON PUDDING: that is acceptable if served very cold is the following: Over one pint of sponge-cake crumbs pour one quart of milk. Stir in the juice and grated rind of one lemon, the yolks of three eggs, a small cup of sugar and a pinch of salt. When baked, spread the top with currant jelly, and frost with the whites. Brown in the oven, and set on the ice when cold.

SCOTCH ROCK CANDY.—Take equal quantities of sugar and syrup, boil in a suitable pot, till when you dip a spoon in cold water and then in the candy and then back in oil, waict it crisps like glass. Pour it out on a greased stone or dish, and as it gets cold throw up the edges and work it with the hand, or use a hook, until it is glasslike like gold. The hands should have a first or two on them occasionally. Draw it into sticks, or leave it like rock if preferred.

DR. WISTAR'S WILD CHERRY BALM—This Balsamic compound has become a home fixture. Let all who suffer, and have in vain attempted to cure their cough, colds, bronchial or pulmonary complaints, make use of this unequalled remedy.

HAM TOAST FOR BREAKFAST—Grate about a pound of cold boiled ham, twice as much lean as fat. Season it slightly with pepper and a little powdered nutmeg or mace. Beat the yolks only of three eggs, and mix with them the ham. Spread the mixture thickly over slices of delicately browned toasts, with the crusts pared off and the toast buttered while hot. Brush slightly on the surface with white of egg, and then brown it with a red hot shovel or salamander.

CURED BY B. B. B. WHEN ALL ELSE FAILED—Mr. Samuel Allan, of Lisle, Ont., states that he tried all the doctors in his locality while suffering for years with Liver and kidney trouble, nothing benefited him until he took Burdock Blood Bitters, four bottles of which cured him.

A DELICIOUS DISH—A pair of not very young fowls should be cut up and fried in a saucapan, with butter and a little lard. When brown, remove the pieces. Add two finely chopped onions to the same gravy and let them brown. Also seed and skin eight or nine tomatoes, cut them in slices and add to the fowls; also half a green pepper, finely chopped, two cupfuls of hot water or beef stock, season and let all boil slowly for half an hour, and serve with plain boiled rice in a separate dish.

Food for Consumptives. Scott's Emulsion of Cod Liver Oil with Hypophosphites, is a most wonderful food. It not only gives strength and increases the flesh but heals the irritation of the throat and lungs. Catastrophe as milk and in all wasting diseases, both for adults and children, is a marvellous food and medicine.

COUGHS, COLDS,
Croup and Consumption
CURED BY
ALLEN'S LUNG BALSAM
25c. 50c. and \$1.00 per bottle.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning; tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, floating specks before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative, tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Humid Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Itch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, and Eyes. Scrofulous Sores and Swellings, Hip-Joint Disease, White Swellings, Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates on Skin Diseases or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery**, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvellous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alternative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unqualified, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, **World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.**
