

A Handy Thing

ON WASH DAY—half a cake of SURPRISE SOAP—"just fits the hand" and just takes the dirt out of clothing with astonishing ease and quickness—no waste—every particle does its share of the work. A handy thing to have around to handle the dirt; makes it drop out of the clothing very quick. Why not try SURPRISE SOAP the "surprise way"? Your Grocer sells it. If not, ask him to get it.

CEYLON TEA COMPANY

WHAT

"THE TIMES" OF CEYLON

Says of this Company, May 4th, 1880.

"We are asked by a Correspondent, 'Which Company, for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability, the Ceylon Tea Growers, Limited (Khangani Brand), sell more Tea than most, seeing that they have no less than one thousand Agents in Great Britain alone, and, in the course of twelve months, must sell a very large quantity of Tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY.

Sparkles.

SOME one said that he could almost hear the grass grow. We disbelieved him until, while crossing Holmes' field the other day, we distinctly heard it mown.

THE Grand Trunk system differs from the human system in that the same troubles do not effect it and the same remedies are not needed. For all diseases of the human system there is no tonic purifier, renovator and strengthener as good as Burdock Blood Bitters. A weak system can be built up by B.B.B.

SHE: How much do you love me? HE: More than I can tell. Why, I couldn't love you more if every one of those freckles was a \$20 gold piece.

"You will ask papa, will you not? Or must I?" "Oh, I have seen him. Fact is he made the suggestion that it was about time for me to propose."

A NATIONALIST PLAN.—A proposal, which would obtain favour with even the opponents of Nationalism, contemplates the placing of a supply sufficient for each family of nature's great dyspepsia specific and blood purifier, B.B.B., in every home in the land. The benefits of such a boon to the people would be incalculable.

"I'm to have friends to dine to night. Have you any oranges fit to set before the 400?" "Here, boy, show Mr. Silverspoon our blood oranges."

"What a terrific thunder-storm we had the other evening?" "I didn't know anything about it until it was all over. I was at the Wagner concert."

BRECHAM'S PILLS act like magic on a Weak Stomach.

WILLIE'S composition on soap: "Soap is a kind of stuff made into nice-looking cakes that smell good and taste awful. Soap juice always tastes the worst when you get it in your eye. My father says the Eskimose don't never use soap. I wish I was a Eskimose."

HEALTH, HAPPINESS AND PROSPERITY.—All these depend on pure blood, for without it health is impossible; without health happiness is impossible; and without happiness prosperity is a mockery. No means of obtaining pure blood and removing bad blood excels the use of B.B.B., the best blood purifier known.

HE (trembling): I have one last wish to ask you be—before we part in an—anger forever! She (sobbing): What—what is it, Geo—George? HE: Wi—will you meet me next Th—Thursday as usual? SHE: I wi—will, George!

IMPERIAL FEDERATION.—Will present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails.

MAUD: No girl could have refused him if he had proposed to her as sweetly as he proposed to me. Mary: But you must remember, dear, that he has had a great deal of experience.

"It requires tact to say the right thing in the right place," Blinks remarked, didactically. "Yes," replied Slocum; "that same idea occurred to me when you were discussing corn-salve at breakfast this morning."

"THEIR Name is Legion," may be applied to those who die annually of consumption, although science has of late years sensibly diminished their number. It is gratifying to know that the general use of DR. WISTAR'S BALSAM OF WILD CHERRY is largely instrumental in attaining this end.

"THAT lecturer is a host in himself." "Yes. He would make a fine population for a desert island."

MONEYBAGS: And can you make a suitable financial provision for my daughter, Mr. Van Duder? Van Duder: I hope so. She shall have half of whatever you give us.

MINING experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowler's Extract of Wild Strawberry for bowel complaints, dysentery, diarrhoea, etc. It is a sure cure.

"DON'T decorate that man's grave. He was a bounty jumper." "Hush! Don't speak ill of the dead. That was the only thing he ever did to earn a dollar."

WHAT'S THE REASON?—The causes of summer complaint, diarrhoea, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, over-exertion, impure water and sudden chill. Dr. Fowler's Wild Strawberry is an infallible and prompt cure for all bowel complaints from whatever cause.
