SCHOOL FURNITURE

The Bennett Furnishing Co., of London Ont. make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a member of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a workshop in Glasgow, Scotland, and we are now engaged manufacturing pews for new churches in that country and Ireland. Man's Wonderful Network

As oil lights up the ebbing flames, as fresh fuel replaces the dead embers, such Virtues hath St. Leon Wat -- Powerful beyond Comparison -- to electrify, to support and assist that wonderful network, the nerves, through which alone building and repairing of the body is carried on and health and strength flows. To all who drink St. Leon comes such health and pleasure as never before known.

Secure rooms early at Palace Hotel Springs, opens June 15, M. A. Thomas Manager.

GALAGUEN of the same place, he is 16 years old, had fits since 9 years, so severe that he thought several times he would die, tried different Doctors and Medicines without relief, but since he used Koenig's Tonic, he had only slight attacks which were probably caused by violent exercise.
