A report from Sprague in Southeast-ern Manitoba, on Monday, said: Busi-ness picked up wonderfully last month and everybody is wearing a satisfied smile. The farmers are all anxiously and everybody is wearing a satisfied smile. The farmers are all anxiously waiting for the roads to get into shap-for the hauling of their grain to the markets. From all accounts the buik of the wheat will be marketed at Spraof the wheat will be marketed at Spra-gue, as it is understood the grain rate on the C. N. R. from Sprague to Dul-uth is considerably lower than from Stephen, Minn, to Duluth. A number of Winnipeg grain men have been corresponding with Rosseau merchants responding with Rosseau merchants on the grain situation, and it is ex-pected that there will be two or three buyers at Sprague this fall. A num-ber of Rosseau merchants have order-ed their fall stocks from Duluth, st ed their fall stocks from Duluth, St. Paul and Minneapolis to be shipped over the C. N. R. via Port Arthur. Rosseau is on the Minnesota side of the boundary. John Emes and a party of men arrived Mon-cay and are locating suitable tim-ber limits for this years cut. The Gay and are locating suitable tim-ber limits for this year's cut. The camps this year will likely be about twelve miles east of here, as all of the best timber is cut in this neighbor-hood. It is thought that this will be Mr. Sprague's last season here.
