

Vell affer dot I git trownded more dedder nor dot. Von tay ven I vos pe a leetle girl mit dires on, mein vader shuck a beece of kraut in te bigshwill, und I told to myself, "py all dot's goot! I bieks hin. oud und eads him." So, ven I pe alone, I go to dot parrel und shtand on a box, und pend me offer in. I pend pooty dubbler und see dot beece of kraut shust swimmin around, like ash it pe alive mit shweetness; und my eyes shtuck oud und mein mouf oben so vider ash a parn toor. I makes a crab and—donder und shlime! kosh! I ton't geepe mein ecqualamity at all, but ven hed firshlong, mit a sblash in dot swillparrel, und dot beece off kraut hits me righd petween te nose. Shimmany! dere I vos shtant on mein het, und kick und holler mit mein veet ash I voud vake te dead. Den der big he squeal ash he vos swearin dot I eats his tinner; und mutter cum oud, dook me py te dop of te pack bart ov mein bants, und quicker ash a fat man falls on te ice, she bull me oud und said, "Hermans it serfes you righd ash you vos trownded, for tryin to sheat dot big oud of his tinner a good many somedimes." A great many beeples vos git trownded by tryin to git shush a leetle taste mitout fallin in te swillparrel. Now I dells you Meishter Upundtree'em, dot mein visdom vos a pig heaps better ash Soloman's; but ish nod equal mit a college students. So I vill dell you how wise ash I nefer vos, by saying somedinks dot vosn't voolish. Ven some man's ties ton't say he kicks te pucket, but dot he kicks te swillparrel.
