

DR. BUTLER'S PURE BEAUGENCY STOCK.

VACCINE VIRUS.

THIS Vaccine Virus is taken only from young heifers, of which I have a well stocked farm in the neighborhood. These heifers are vaccinated by myself and the establishment under my own personal supervision. I can, therefore, offer to the profession a reliable lymph, which I guarantee in all primary vaccinations, in which ordinary precautions are taken.

Ivory Points, in quantities less than one dozen, each	-	\$0 20
Do. - - - - - per doz.	-	2 00
Crust, - - - - -	-	\$1 50 to 3 00
