

# MONTREAL WALL PAPER FACTORY

**SEASON 1899-1900.**

Our new line is now complete and our travellers are on the road.

It will be to the interest of every wall paper dealer in Canada to see our samples, as they are the most attractive we have ever produced.

They are exceptionally strong in popular designs and in harmony with the prevailing colors in house decoration.

The range of ingrain colors with friezes from 9 to 22 inches wide will be found specially pleasing.
