Mercantile Summary.

THE Commercial Bank of Manitoba declares a dividend for this six months at the rate of seven per cent. for the year.

A LIVE merchant has no excuse for having unsalable goods upon his shelves. A merchant who does invariably over-stock can not survive, unless he is extremely well favored in other ways.

THE sorghum factory of J. W. Grece, Dresden, went into operation on Monday. The cane there is said to be very rich in saccharine matter, the latter part of the season having been most favorable.

THE merchants in Walkerton are complaining the last few days of being bothered with bees. There seems to be a scarcity of honey in the hives this fall, and the bees skirmish around the stores after sugar.

SILVER change of new design will soon jingle in the pockets of the American people. Patterns for the quarters, dimes and 50-cent pieces as they are to be, have been practically accepted by the Department of the Treasury.

THE St. Louis Dry Goods Reporter says that it is no wonder the wholesale dry goods houses of St. Louis are kept busy with their shipments. The aggregate number of traveling salesmen representing but seven of the prominent firms is said to be 209.

THERE have been two small failures in Manitoba this week. R. S. Hamilton, harness maker, Shoal Lake, has assigned. Rutley & McCaffrey, hotel keepers, Winnipeg, have been badly pressed for money and have called a meeting of creditors to arrange for an extension of time.
