DRESS AND HEALTH

is the title of a new book just from the press. It is upon a most important subject, and should be carefully studied by all ladies. The health of thousands of women is being undermined by errors of dress. Many are ignorant of this. Others recognize the fact, but do not know how to make the necessary changes. This book shows, by the testimony of numerous physicians, the injury which is being done by dress, then points out the changes which must be made, and gives practical directions for carrying them out. No change is necessary with regard to the outside dress, and there is nothing in the reform garments to alarm the most fastidious.

Sent by mail on receipt of 30 cents.

Liberal terms to Booksellers. Orders should be sent in at once, as the first edition will only consist of three thousand copies.
