## MONTREAL MARKET.

From our own Reporter.

MONTREAL, Aug. 24, 1875.

The anticipations of a revival of trade which have been confidently indulged in for sometime past do not appear as if they were soon to be realized, for at the present moment business is quite as dull as it has been at anytime during the past year, and in the general wholesale trade with the exception of Dry Goods the business done has been of the merest jobbing character and people do not like to make predictions for the future. Several failures during the week seem to have put back the restoration of confidence for an indefinite period but it is hoped when merchants return from the country, and sea side, some little activity will be infused into business. It will be noticed that quotations do not show much change.

Tonnage is in good supply with only a limited demand, rates keep steady with advancing tendency.

Weather most part of the week has been damp and warm. Sunday night was very cold, since which it has been clear with low temperature.

ASHES.—Pots.—There has been an easier feeling in this branch of business and although our closing quotations of last week were maintained till Friday another decline has taken place and firsts sold at \$5.00 to \$5.05 with only a very moderate business doing. Very few transactions reported in inferior sorts which are quiet and almost nominal. Seconds at \$4.00 to \$4.10 and Thirds at \$3.25. Pearls.—In the early part of the week firsts met a pretty fair demand at \$5.70 to \$5.75, declining yesterday to \$5.50 at which the market for firsts closes. Inferiors are nominal. Stocks at present in store are Pots 2665 brls; Pearls 1183 brls.

BOOTS AND SHOES.—A fair number of orders are coming in from travellers but only for what is immediately wanted, dealers do not yet show any disposition to lay in stocks. Remittances are very backward. We quote Men's kip boots \$2.75 to 3.30; do. French calf \$3.00 to 3.75; ditto Buff Congress \$1.75 to 2.25; ditto split Brogans \$1.10 to 1.25; do. kip Brogans \$1.40 to 1.50; Boys' split Brogans 90c to \$1.00; do Buff and Pebbled Congress \$1.40 to \$1.50; Womens' Buff and pebbled Balmorals \$1.20 to 1.40; do prunella boots 75c to \$1.75; do. do. Congress 75c to \$1.75; Misses Buff and Pebble Balmorals 90c to \$1.15; do prunella Balmorals and Congress 70c to \$1.25; Childrens' do. do. 60c to \$1.00.

CATTLE.—Prices of cattle keep very high, yesterday there were about 13 car loads in the market and although the butchers tried to break down the prices, Drivers were firm and the prices obtained were from \$4.50 to \$5.35 per 100 lbs live weight according to quality. No Sheep or Lambs in the market. Hogs \$7.50 to \$7.60 per 100 lbs live weight, and \$10 per 100 lbs for dressed Hogs.

DRUGS AND CHEMICALS.—In the absence of any demand we have very little change to notice in this branch of trade. Bi Carb is freely offered at \$4.00 to 4.25 with some job lots within our range. Sal Soda is a shade easier at \$1.37½ to 1.40; Soda Ash is also easier at \$2.00; Caustic Soda some trifling sales are reported at 3½c; Bleaching Powder 2½ to 2½ small sales at our outside quotations; Alum 2½c; Epsom Salts are steady at 2c; Cream Tartar Crystals 26 to 28c; Blue Vitriol 8½ to 9c; Brimstone \$2.75; Saltpetre \$8.12½ to 8.25. No change in other articles.

DRY GOODS.—The retail trade in the city has been very quiet and dealers instead of laying in stocks merely buy what they want to meet immediate requirements. Travellers who are now on the road are sending in orders which are numerous, but not of the same extent as is
