Local Market Report.

Wheat,-The daily movement through Winnipeg is running over 200 cars, and well up to 300 on some days. Prices have shown a declining tendency. Oats,—There is very little movement in new oats yet and prices have not changed much. The light movement has sustained values, and prices would almost certainly be lower with any considerable increase in offerings.
Local prices are irregular, and though we quote 22 to 24c per bushel on track here, a close quotation cannot be given in the absence of so much business. A few loads on the street market have sold at about 23 to 24c, and up to 26c was paid for choice milling quality. Prices in Manitoba country markets to farmers range from 15 to 17c at most points.

Barley.—No business is reported in barley yet.

Vegetables.—Potatoes have sold mostly at 30c per bushel for loads on the market, though a few loads have sold

HOW IS THIS?

Butter.—The market is taking on an improved feeling as is usual at this season of the year, though there has not been any important change. Buyers, however, re more active in picking up desirable lots. We quote round lots at 10 to 14c as to quality.

Wood.—Tamarac is held at 4.50 to 4.75 per cord on track here in car lots as to quality. Oak about \$3.75 to \$4; mixed pine, spruce, etc., can be had at 3.50 to \$3.75. Poplar has sold at from \$2.50 to \$3 on track as to quality; green cut popular bings the best price, though green cut popular has been offered at \$3.75 per cord on track.

Wool.—We quote 6 to 8½ c for unwashed Manitoba fleece. Very little doing.

Seneca Root.—The market is firm and 26c is quoted, though we have heard of 264 and even 266 being paid for one lots.

LETTER FROM RUBLEE, RIDDELL & CO'S (BISCUIT MANUFACTURERS) HEAD BAKER.

Winnipeg, Sept. 10th, 1894.

Messis. David J. Dyson & Co. Winnipeg.

Dear Sirs:

I had the pleasure of using your famous White Star Baking Powder while baking those delicious dough-nuis of mine in the Exhibition grounds this year, and state that it gave universal satisfaction, as a large number of ladies enquired how they were made. I attribute the success of them to your poroder and would heartily recommend it to those who want to make a success of their baking.

Yours truly,

John Morrison.
