SCROFULA CURED BY B.B.B.

MRS. JAS. CHASE.

Worst Kind of Scrofula.

DEAR SIRS.—I had an abscess on my breast and scrofula of the very worst kind, the doctors said. I got so weak that I could not walk around the house without taking hold of chairs to support me. The doctors treated me for three years, and at last said there was no hope for me. I asked if I might take B.B.B. and they said it would do me no harm, so I began to take it, and before three bottles were used I felt great benefit. I have now taken six bottles and am nearly well. I find Burdock Blood Bitters a grand blood purifier and very good for children as a spring medicine.
