The Living Age

It supplements the American magazines, containing what they do not.

It makes superfluous the taking of a considerable list of English periodicals, as it reproduces without abridgment the most important articles from their pages.

No other magazine, American or English, presents the writings of so many brilliant and distinguished authors.

The magazine publishes the best essays, fiction, poetry, travel, sketches, literary, art and musical criticism, discussions of social, religious and educational questions, and papers upon

The Standard of the World

IN the manufacture of School Furniture we are many laps ahead of our competitors. For durability, honesty of construction, and superior points of merit, our goods EXCEL ANYTHING IN THE SCHOOL FURNITURE LINE. Our New Patent "Ball Bearing" School Desks lead all others. They are absolutely the ONLY School Desks ever made having a Permanently Noiseless Ball Bearing Seat Hinge.

This device is NOT an experiment, but has been thoroughly tested, and its practicability proved. Our Combination "Ball Bearing" Adjustable School Desk is the greatest success ever achieved in School Desk construction.

The time has passed when students must adjust themselves to fit the desks. Health and comfort demand that the desks should adjust themselves to fit the students.

That is why our Adjustable Desk should be in every school room in the land.
