#### ARTICLE 1.

The times, seasons, and methods of fishing in the waters contiguous to the United States and Canada, as specified in Article 4 of this Convention, and the nets, engines, gear, apparatus, and appliances which may be used therein, shall be fixed and determined by uniform and common international regulations, restrictions, and provisions; and to that end the High Contracting Parties agree to appoint, within three months after this Convention is proclaimed, a Commission to be known as the International Fisheries Commission, consisting of one person named by each Government.
