

Noting further, resolution 545 G (XVIII) adopted by the Economic and Social Council,

Considering that the preparation of recommendations on measures for promoting the right of self-determination is a matter of immediate concern,

1. Requests the Commission on Human Rights to complete its recommendations concerning international respect for the right of peoples and nations to self-determination, including recommendations concerning their permanent sovereignty over their natural wealth and resources, having due regard to (the rights and duties of States under international law and) to the importance of encouraging international co-operation in the economic development of under-developed countries, in order that the General Assembly may give those recommendations full and due consideration at its next session;

2. Requests the Economic and Social Council to transmit these recommendations to the General Assembly for consideration at its next regular session.

NOTE: The words in brackets in the first operative paragraph of the resolution were not included when the vote was taken in Committee, but were added before the vote was taken in plenary session.
