

(a) Encourage the United Nations and other appropriate international and regional organizations to undertake initiatives to promote the implementation of the Programme of Action;

(b) Also encourage all initiatives to mobilize resources and expertise to promote the implementation of the Programme of Action and to provide assistance to States in their implementation of the Programme of Action;

(c) Further encourage non-governmental organizations and civil society to be engaged, as appropriate, in all aspects of international, regional, subregional and national efforts to implement this Programme of Action.
