

Canada will continue to deliberate with Great Britain and the United States with a view to the substantial consideration of their policies in relation to persons of Japanese racial origin within their respective jurisdictions.

6. In accordance with these principles and in the execution of plans worked out well in advance, the Canadian Government, as a consequence of the new situation created by Japan's treatment of persons of Japanese racial origin on the Pacific Coast, as once established all fishing vessels operated by persons of Japanese racial origin will be prohibited for the duration of the war against Japan, from fishing or serving on fishing vessels, or on other vessels operated by persons of the Coast of British Columbia.

7. For the same period the sale of fishing gear, explosives, equipment or Japanese racial origin will be prohibited to persons of Japanese racial origin to be prohibited for the duration of the war against Japan.

8. Japanese nationals will be prohibited from entering Canada during the war against Japan, and persons of Japanese racial origin who are receiving such training will be prohibited from entering Canada.

9. The issue of executive jurisdiction in respect of persons of Japanese racial origin will be considered, and the Government will be advised of the results of such consideration.
