Mr. Speaker: I declare the motion lost. The next question is on Motion No. 4. Mr. Johnston, seconded by Mr. Gray (Windsor West), moves:

Motion No. 4

That Bill C-84 be amended by deleting Clause 65.

I take it the intention is to apply on this vote the same vote as was taken on the amendment to Motion No. 2, the first vote we took tonight.

The House divided on the motion (Mr. Johnston), which was negated on the following division:

(Division No. 170)
