

9. *Horticultural Products, Ladies' Work, the Fine Arts, &c.*, may be entered up to Saturday, September 6th, two weeks previous to the Exhibition.

**10. Exhibitors are particularly requested to take notice that it is absolutely required that the entries be made at the dates above mentioned, in order to afford sufficient time to examine the entry papers, and to correspond with parties, when necessary, for the correction of errors and omissions; and no exception will be made to this rule on any consideration whatever.**

11. In the Live Stock Classes, the entry must in every instance be made in the name of the *bona fide* owner, and unless this rule be observed no premium will be awarded, or if awarded it will be withheld. If any person shall exhibit any animal of which he is not the *bona fide* owner, he shall forfeit any premium which may be awarded him, and be precluded from exhibiting in future.

12. In all the other classes entries must be made in the names of the producers or manufacturers only, and by such producers themselves in person, or their agents duly authorized. Any person making entries as an agent for more than one producer or manufacturer must pay the usual subscription of one dollar for each of such parties. If any person shall enter an article for exhibition, as produced or manufactured by himself, when it has not really been so, he shall forfeit any premium which may be awarded the article, and be precluded from exhibiting in future.

13. In all, (unless otherwise specified,) departments, the competition is open to exhibitors from any part of the world, without reservation, on compliance with the rules.

14. Manufacturers are requested to furnish with the articles exhibited, a statement of the quantity they can produce, or supply, and the price, for the information of the Judges, whose decision will be based on the combination of quality, style, and price, and the adaptation of the article to the purpose or purposes for which it is intended.

15. No person shall be allowed to enter for exhibition more than one specimen in any one section of a class, unless the additional article be of a distinct named variety or pattern from the first. This rule not to apply to animals, but to apply to all kinds of grain, vegetable products, fruit, manufactured articles, &c., in which each ad-

ditional specimen would necessarily be precisely similar to the first. No exhibitor in the Arts and Manufactures Department shall be awarded more than one prize in any one section of the same class.

16. *Extra Entries.*—Every article must be entered under some one of the headings in the regular list, when possible; but if any article is of a distinct character from anything specified in the list, it may then be entered in the extra section of that class with which it most nearly corresponds. No article, however, will be allowed to be entered as an extra for want of sufficient quantity or number, or any other similar defect, when of the same kind or variety as anything named in the list; in such a case the article cannot be exhibited.

17. All Agricultural or Horticultural products must be the growth of the present year. Manufactured articles, or works of art, which have been awarded prizes at any previous Provincial Exhibition, shall not be entered in competition for the prizes named in the prize list for this year, but shall be awarded diplomas, if, in the opinion of the judges, such articles are superior to any others exhibited, and are deemed worthy of the same.

18. On the entry of each animal or article, a card will be furnished the exhibitor, specifying the class, the section, the number of the entry, and the name of the exhibitor, **which card must remain attached to such animal or article during the Exhibition.**
