The Right-of-Way is now working both shafts again.

The extension of one of the producers of the Princess has rewarded their exertions to the south.

The Penn-Canadian car contained about 900 ounces to the ton concentrates and ore mixed.

The McKinley-Darragh contributed two cars of concentrates, and thereby raised the total for the week very considerably.

All the ore came from the mines surrounding the town, Kerr Lake and South Coleman, the Casey range not contributing.
