JARVIS OLD BOYS PLAY ANNUAL GAME

Are Defeated by Senior Team -Symons Out With Varsity - Rugby News.

Jarvis Collegiate played the Old Boys their annual game yesterday on the Don Flats, the younger boys winning, 8-6. This is unusual, as the Old Boys have always won the games for the last eight years. The present Jarvis team's condition, science and tireless energy dragged the Old Boys in the dust of defeat. Parkdale, watch that Senior League Cup. Smythe, Ritchie and Edmonds were particularly good for the ex-Jarvisites, while Urquhart, Duncan and the Jarvis right-half performed the Jarvis fireworks.

Varsity had a squad of 35 men out last night, and after the preliminary kicking and catching Coach Hughie Gall divided them into two lots and drilled them at signals. Symons, the good quarter of last year's Argo outfit, made his first appearance with the students. Jack O'Connor was also on the job.

Frank Park and Billy Foulds were out last night limbering up for the old boys' Chicago ... Indianapolis game on Saturday.

A Hamilton exchange says: Saturday was a busy day for the local football players. Large numbers of candidates for the various teams were in uniform at the cricket field and at Britannia at the cricket field and at Britannia Park. The Tigers had some fifty players in harness, including Sam Manson, Tout Leckie and Rus Thompson, who have returned from New Haven, while Art Wilson, Shuart, Glassford and the rest of the regulars, with the exception of Clark and Craig, were out. Coach Marriott sent his senior Tiger line against the intermediates for some line against the intermediates for some stiff work, the practice giving several of the youngsters a chance to show their worth. There is no doubt but that Frank Harvey has rounded up a really formidable lot of intermediates, and he can be counted upon to furnish at least one championship for the city. The youngsters gave the seniors a good battle, the work of young Holden, formerly of the Toronto Capitals, standing out. Holden is a splendid tackler and is fast. He may get a chance with the senior outfit. Art Wilson and Red Dixon were two of the seniors to show good form. Wil-

DICK RUDOLPH GAINS WEIGHT WITH WORK

One of the remarkable things about the Braves' pitching staff is the way the main division of the pitching staff has thrived under the heaviest assignment of steady work any three pitchers of modern times have been given.

Of the three standbys of the team, Rudolph, James and Tyler, the former, is able to announce that instead of losing weight during the season to date—and this means practically the full season—he has gained three and one-half pounds. To an athlete of Rudolph's rather slight physique this means considerable. It also helps in disproving a theory of long standing that a pitcher cannot stand up under such a burden as has been imposed on him this year without suffering a breakdown or in other words "cracking."

It will be a matter of interest to his

"cracking."

It will be a matter of interest to his many Toronto friends, and also those concerned in the conditioning of pitchers to see just what will be Rudolph's physical shape when his task for the season is ended.

NEW YORK, Sept. 28.—That the Olymic games of 1916 will be held in Be lin, despite the European war, is indicated in a letter received by the American Olympic committee today from Baron Pierre De Coubertin, president of the international Olympic committee. The letter mailed from Havre and addressed to the late James E. Sullivan, says.

"The seat of the VI. Olympiad remains what it was, and, contrary to what the American papers say, I will not make any proposal in favor of a change. We never thought the Olympic games would stop wars, and I feel perfectly sure that when the present war is over, the Olympic movement will began again." erican Olympic committee today from
