

less of making you Profelytes to their impious Worship, than Slaves to their tyrannical Power. To propagate their Faith and their Species, are with them Matters of the same absolute Importance; the one to people Heaven, the other the Earth.

But in what Manner do they propagate the first? By solid Reasoning and fair Debate? By arguing with Calmness and Impartiality; and bringing with them, to decide the Matter, no other Disputants than Men of Gravity and Learning; no other Engines and Instruments of Conversion, than Books of Scripture and Antiquity? Then let them come in God's Name! But the Weapons and Implements of their Warfare are not so Spiritual, nor their Methods of Conviction so mild and Evangelical!

These
