DR. McLAUCHLIN'S ELECTRIC BELT It has restored health and strength to thousands of weak and impotent men. The testimony of the sured proves that, if used as I direct, it is a positive cure and cannot fail. It gives the vitalizing power of electricity, without burning or blistering, to every weakened part, developing the full vigor of manhood and banishing pain and weakness. It removes all the effects of I CURE WHERE OTHERS FAIL I want to talk with those who have tried every other known remedy: those who have about given up trying and think that there is no cure for them. I don't think you do justice to yourself to fill your poor stomach with drugs day after day, when you don't see anything but temporary stimulation in them. (If you want stimulation, take whiskey; it is alcohol, like the drugs, and does less harm taken the same way.) I want to explain how vital power is restored by electricity, and I can prove to you that vital power is nothing but electricity. Then you can see that your trouble can be cured by electricity and can understand why drugs don't cure you. Come and let me show you the only road to health, strength and happines. No healthy person was ever unhappy, because a heart full of vitality is light and joyous, and quickly shakes off the gloom and depression which is called grief. Some people are unhappy without who is not the man he should be to use my Belt, and when he is cured, tell his friends of its wonderful My Belt is also an absolute remetly for Nervous Debility, Backache, Rheumatism, Stomach, Liver, Kidney and Bladder Troubles arranged for women as well as men, and cures female weakness. I am now 73 years of age and hale and hearty, thanks to your relectric Belt. I remain, yours gratefully, **GARDNER WILCOX**. Dear Sir-I am well pleased with your Belt; it has done its work perfectly.
