Grace Church Club Match.

A very interesting inter-club cricket match was played between the members belonging to the Grace Church Cricket Club on Varsity lawn Saturday. The sides were chosen by M. Rawlinson, the vice-president of the club, and G. B. Smith, the captain of the team, the result being a victory for the vice-president's team by the close majority of 12 runs. Every member of the club took a great interest in this game, as the losers were to provide a "spot" for the club to practise in next season. The feature of the game was the excellent fielding of the winners, who played well by making several difficult catches in the field. At one time it looked like a win for Capt. G. B. Smith's team, as they had four wickets down for 31 runs. The last seven fell without scoring a run. The bowling on both sides was very good. For the winners Wookey took three wickets for no runs, Millward two for 17, and H. S. Collins six for 13. For the losers Crichton took four for 10, Major Galloway five for 3 and Mortimer one for 1. Orillia's Closing Game.

The Orillia cricketers played the last match of their tour at Mimico Asylum Saturday. They won the toss and went to bat first. They put on 82 for the first three wickets. Then Dunn went on and kept sending down all kinds of balls, taking four wickets for 11 and retiring the side for 117, this being the highest score made against the Asylum this season. Cameron, by steady play, made 40, Livingstone 24, Read and Leacock also getting into double figures. Dr. Beemer and W. F. Terry went in first for the home team. When the doctor left there was 37 up. Beatty joined Terry and the first ball Livingstone sent down to him disturbed some of the spectators in the kiosk and continued on its way uninterrupted and floated out on the blue waters of Ontario. The fielders being well out, the ball was returned quickly, but Harold had added seven to the rapidly-increasing score. Only once before has the ball been hit in the lake during a match. G. Langton of football fame being the first while playing with the Ancenorge in 1899. When Beatty left the score was 87 for two. Terry was the next to go, 149 for three. Terry making 83 by playing all around the wicket. A. A. Beemer and W. Whitaker were still keeping the visitors busy out in the country. Whitaker put the ball clear over the track into the fence, but was too tired to run more than four. The game was called at 4 o'clock to give the visitors time to catch the train.
