HEINTZMAN & CO.:

# EARLY C. P. R. TRAIN

Men of Cassandra Arrive Here | Straight 5-Cent Rate Likely | Manager Says Fare Must Be | Peculiar Case Being Aired in At 1:30 o'Clock.

MOST ARE DISPERSED

Three For Military Police Out Agreement Runs Out At End of Eleven Who Were Expected.

One hundred and six returned soldiers, many of them former members of the 135th (Middlesex) Battalion, arrived at Quebec street station via C. P. R., at 1:30 o'clock this morning. These men came to Canada on H. M. S. Cassandra, arriving at Montreal after a twelve-day trip from Glasgow. About 50 persons were present to greet them. Immediately after their arrival, they building.

Immediately after their arrival, they were lined up and taken to the dispersal station. In an hour every man, except three who were detailed for the military police, was in possession of that precious "scrap of paper," more of that precious "scrap of paper," more their council must come to some decision on Monday night, or put the citizens in the position of having to walk to church their council must come to some decision on Monday night, or put the citizens in the position of having to walk to church their council must come to some decision. scarlet fever now isolated in the city, according to the weekly report of communicable disease issued by the M. O. H., were increased by three new cases last week. But five patients are being cared for at the hospital. Three new cases of diphtheria, one diphtheria suspect, two of chickenpox, and one of typhoid fever complete the list. There is still one case of whooping cough in the city, making a total of 33 cases of communicable disease in all.

asked of one soldier who wore several chevrons on his sleeve.

"No thank you! I'm for the military civies," he replied.

One Disappointed.

Relatives of one returned man who had been detailed for the military police, seemed very disappointed when they found that he was not to be given his discharge but was to remain in the King's uniform at \$2.10 per day. He also seemed downcast when he saw almost all his pals getting their "tickets."

Refereshments were provided in the their "tickets."

Refreshments were provided in the mess room across the road from the dispersal station by a few of the ladies of the Red Cross.

These are the Londoners who arrived on the early morning train.

### NOT WORK SUNDAYS AT THE OLD RATES

Five Cents Cash.

Manager C. B. King of the London Street Railway told The Advertiser today that if the city council is not willing to authorize a straight five-cent gash for Street Railway told The Advertiser the arrest in Toronto of a Mrs. Gill, a "Baby Farmer," are looking for two local woman who under alleged tales. on June 1.
The company's proposal to arrange

tee of the council that favorable action city police officials.

New Franchise.

The week day service is controlled by the franchise bylaw, which originally prohibited Sunday operation. When the people voted in favor of When the people voted in layor of Sunday cars a new agreement was drawn up and that has since been a separate document renewable from year to year. The agreement provided for fares of five cents cash or seven ordinary green tickets for a quarter. This contract expired on May 1, but pending negotiations the company and city council agreed to continue Sun-day operation on the old terms for Claims Revenue Insufficient.

The company is not willing to renew the agreement on the old terms, claiming that the revenue secured is insufnt to meet the cost of Sunday opera-If the people are withing to pay what the service is worth we are willing to provide the accommodation for them," said Mr. King. "If the people feel that they would rather walk than pay this slight increase we will have to let matters go on that basis."

Patronage Small.

The company points out that the pat-ronage on Sundays is far below that of week days. The records indicate that

county about \$100.

According to the defendants, they tried to prevent her from wandering away from home, and while bringing her back to her house, she struggled, but was forced back to the house by them. She claims that they handled her roughly, but they denied this.

Judge Macbeth was of the opinion that a warrant should not have been that a warrant should not have been ssued in the case. When plaintiff went to A. P. Macdougald, J.P. of Melbourne, he refused to issue a warrant. The In-dian agent also refused to act. The matter was brought to London, and the warrants were issued.

St. Thomas—Sapper A. J. Mildren, Sapper R. R. Osgood, Pte. W. H. Welsh, Pte. C. N. Williams, Lieut T. F. R, Windsor—Lieut P. Wi both of the opinion that some change in the Indian laws should be made, giv-ing the Indian agent power to dispose of such cases.

> MISTAKE IN NOTIFICATION. Acting Mayor E. S. Little, who is back in the job today, tendered an apology or perhaps explanation would be the or perhaps explanation would be the better word-for his absence from last evening's meeting of the local housing commission. He stated that the notice he received of the meeting said that it was to be held on Thursday, and he entered up that day in his diary. He was particularly sorry, he said, that the mistake had occurred because he arranged to go away on Wednesday purposely so that he could be present at the housing meeting the next day.

Building permits issued during the present month now total 95, and reprereceived permission to construct a one-story brick factory on Ridout street, near York, also at a cost of \$3,000. It is to house a dye works.

AN ATTRACTIVE POSTER.

Ald. F. E. Harley, chairman of the civic reception committee, spent part of this morning distributing among the business houses of the city and the departments at the city hall posters bearing the figure of a soldier, walking with sloped rifle and bayonet, in front of a background showing a battle scene in the distance. The poster hears the in-

for the commission to use a room in the city hall, or that another hall be secured apable of accommodating from 50 to

### WAR STAMPS PLAN HAS PROVEN FAILURE

Scheme Must Be Modified or Abandoned Soon.

**RECEIPTS NOT \$2,000,000** 

Peace Came Too Soon To Make Success Of

Ottawa, May 14.-The war savings certificate plan, which was inaugurated by the Government last summer, and Hamilton Veteran Discharged which was designed to encourage thrift and bring in money between the larger loans negotiated by the Government, is working, but not working well. Recent nly a question of time, seemingly when they will be abandoned or modified. Return to peace conditions has, undoubtedly, wrought a very considerable change.
The issue authorized was \$50,000,000,

The plan, it is stated, was never designed to replace the war loans, because the maximum amount authorized is only about a seventh of an ordinary war loan, and, when the next one comes in the fall it may be as heavy as those which latterly have preceded it. The

ed on, little result could pos rimp in the plans at the nillions subscribed the results anywhere near what was houed for Works Well In Schools. The plan has worked well in schools, where thrift is being end aged, even though the total re becessarily, small in the aggregate er building up an organization the objection to its discontinuance may forthcoming, and some modified pla may be adopted. At present things a drifting along. Some people are "takin their change" in stamps, but it takes lot of stamp sales to amount to m
