MORE CELLS ARE NEEDED SAYS JAIL GOVERNOR

Suggests That His Residence Be Fitted Up for Prisoners—Painters Have Complaint.

HAMILTON, Sept. 8.—(Special).—Governor Ogilvie of the jail appeared before the markets, jail and police committee to-night and said he had ten prisoners for whom he had no cells, and suggested that the portion of the jail used by him as a residence be converted into cells and that a new residence, built forty new cells, would be provided, making 100 in all. The committee decided to have an architect prepare plans.

Several representatives of the painters' union complained that painters from Toronto and other places were crowding out the local painters. The city solicitor said it was impossible to prevent these painters from coming in, as they are not licensed. The aldermen promised, however, to do what they could in the matter.

Milo Cotter, 226 York-street, was arrested to-night on the charge of assaulting Florence Wilson. It is charged that Cotter cut Miss Wilson's face with a plate.

There was a small fire at the Force Food Factory, York-street, this afternoon.

Mrs. Guy Potter, 37 Woodbine-avenue, who took a dose of carbolic acid by mistake last night, is out of danger.

The People's Brewery Co., which has just been incorporated with a capital of \$250,000, will commence at once to erect buildings worth \$150,000. Rollinger Brothers of Pittsburgh have the contract to do a record job.

May Die in Prison. Thomas Taaffe was sentenced to 23 months in the Central Prison by Judge Mopck to-day on the charge of robbing the house of A. L. Gerhart on Aug. 17. A. M. Lewis said his client could not live out a sentence as he was suffering from consumption.

Mrs. Sidney F. Pilgrim and her son Orville, applied before Judge Monck to have Sidney F. Pilgrim, the husband and father, declared legally dead, and for leave to administer the estate.

Mr. Pilgrim left on a journey nine years ago from which he never returned. The judge rendered decision. The family will try to collect \$1200 insurance if the application is granted.

The home of Archie Turner on the Mountain, near the Glanford boundary line, was totally destroyed by fire. The house may have been set on fire.

The latest clue to the identity of the body found in the Monaghan River near McKeeport, Pa., designates it as that of E. G. Langrish, formerly an advertising solicitor in this city. In the police court this morning Geo. Robbs was fined \$20 and costs for assaulting J. Tuton, a farmer.

Mrs. Weston, an inmate of the House of Refuge, was found dead in bed. Edward Young, Fred Wade and F. Harris are accused of the murder. The company for unstated damages for injuries.

Peter Carling has issued a writ against the Hamilton Street Railway Company for unstated damages for being thrown from a car.

S. I. Landers of this city has resigned the editorship of The Weekly Bulletin, the official organ of the United Garment Workers of America.

Marlin Malone has announced that he will take steps to have the street railway bylaw should it be passed by the ratepayers. One of the grounds for the action will be that the alder-

men were bribed to have certain clauses inserted into the bylaw. Ald. McLaren, who has been mentioned as a candidate for majority honors, has declined to state his position in the matter. Thieves made the rounds of several dental parlors on Saturday night and made a clean up of money and dental accessories.

At Bennett's. If hearty applause is a criterion, the crowd which filled Bennett's Theatre last evening fully enjoyed the bill. There is much to entertain in this week's bill, and it is most appropriately termed an almost continual laugh. Peter Donald and Meta Carson are funny in Alex. McLean's Dream. As might be supposed, Alexander is a Scotchman, remaining in a more or less hazy condition, from a ball. What happens to him and what he says were things which made the audience laugh heartily and most of the time. There is possibly more legitimate comedy in this turn than in any skit seen here in a long time. The comedy is given by Gavin Peaches and the very opposite. They go to the extreme, and they are funny because so ridiculous.

The Willy Pantzer troupe is an astonishing acrobatic team. Feats of strength in themselves are usually interesting, but when humor is interspersed the effect is more catching. Hence the Pantzers got the warmest reception of the evening, the audience insisting on several encores. They do many strong things, and it can be said of them that they please.

Ed. Reynard, ventriloquist, puts on a pretentious act, in which he makes his dolls get off some clever hits. The stage setting is appropriate, and the audience was not slow in expressing its appreciation.

Carbey brothers, expert dancers, are a pair of the best artists seen here in a long time. Their dancing was clever and proceeded with that swing which denotes the expert.

Radio and Bertman appear in a skit entitled, "A Little Bit of Everything." The title is no misnomer, for the turn includes most of the things found between such extremes as love-making and contortion work.

Verona Verdi, down on the program as a talented violinist, was quite acceptable. The moving pictures are the most enjoyable, and rounded off a very pleasing bill.

Liquor in Canteens. And Several Men in Barrifield Camp Are Fined.

KINGSTON, Sept. 8.—(Special).—As a result of a raid at the Barrifield camp canteens, which are in a local option district, fines amounting to \$20 were imposed on John Cairne, running the army medical corps sergeants' canteen, who pleaded not guilty, but was fined \$50, and Daniel Taylor and Wm. Harris were each fined \$20. Harris is city hotelman.

The charges were laid by the local C. T. U., backed up by Rev. E. W. Burke, who was behind the recent round up of city hotelmen.

Several more cases will be heard to-morrow.

In the Police Court. Samuel Darling, accused of assaulting L. L. Leves in court yesterday, was remanded a week without pleading. The Leslie case also went over for a week.

LINDSAY, Sept. 8.—(Special).—Wm. Benton, one of the Detroit youths charged with assaulting and stabbing Sam Nicholas and Jack Barry on Aug. 31, was acquitted at Penelon Falls to-day. The plea of Benton's lawyer was self-defence, and the prosecution failed to prove that Benton did the "cutting."

The trial of the other youth, Nottleton, has not been concluded as yet. Magistrate Moore tried the case and Crown Attorney Devlin prosecuted, while F. A. McDiarmid defended the prisoner.

FIREMEN MADE GOOD. The firemen at the Bay-street fire station rushed out and pluckily stopped a hackman's runaway team, which had come clattering down the sidewalk from the corner of Richmond at 9.30 last night.

Three Men Missing.—Indians living on the lake reported last night that a gasoline launch was seen to blow up and sink near Jack Fish narrows yesterday afternoon with all hands lost. Enquiry and search revealed that one of the gasoline fishboats from International Falls is missing with the owner, Mr. Inhof, and two fishermen.

EXHIBITION VISITORS

Should avail themselves of their visit to the Fair to see Dr. McLaughlin's World renowned Electric Belt. He will be in his office, 112 Yonge St., from 9 a.m. to 6 p.m. daily, Wednesday and Saturday till 8.30 p.m. He invites you to consult him regarding your health.

Take My Belt for What it is Worth. Wear it Until You Are Cured—Then Pay Me My Price.

If you come to me and I tell you that I can cure you, I've got confidence enough in my treatment to take all the chances. I am curing hundreds of weak men and women every day, and I know what I can cure and what I can't. If you will secure me you may wear my Belt free until cured.

I know that no man remains a weakling because he wants to. I am sure that you want to overcome every indication of early decay that has shown itself on you. I don't think the man lives who would not like to feel a big and strong as a Sandow; and I know that if you have a reasonable foundation to build upon I can make you a bigger man than you ever hoped to be. I was you to know that, you who can't believe it, and I want you to have my book in which I describe how I learned that strength was only electricity, and how I learned to restore it; also I want to tell you the names of some men who will tell you that when they came to me they were physical wrecks, and are now the finest specimens of physical manhood.

And how is it with you? Have you rheumatism and back pains, a dull ache and weakness over your kidneys, dull headaches, with a tired, slumped feeling? Are you losing your vitality? Do you feel yourself growing aged before your time? Are you nervous, sleepless, short of memory and lacking in spirit and self-confidence? Do you know that you are not the man you would like to be?

If so, I can cure you. What you lack is just what electricity supplies. My Belt will cure you, and if you will come to me you will soon be one of "DR. McLAUGHLIN'S MEN."

Business transacted by mail or at offices only. No agents. FREE BOOK—Call and test my Belt free, or, if you can't do that, send for my book about it, also free. No charge for consultation. OALL TO-DAY. SEND THIS AD. DR. M. O. McLAUGHLIN, 112 YONGE ST., TORONTO, CAN. Office Hours—9 a.m. to 6 p.m. Wednesday and Saturday until 8.30 p.m. 8-11-08
