French comedienne, who is touring the country for the last time, bethe New York Theatre last year. Harry B. Smith wrote the book and lyrics of "Miss Innocence," while the tuneful music was composed by Ludwig 
Englander. The remarkable success of "The Parisian Model" at this theaire two seasons ago promises to be 
surpassed in the new musical comedy, 
for, in the course of the evening, Misslield takes the audience on a tour thru 
Paris, and not a point of interest is 
left out. She starts in a girls' seminary, located in the Isle of Innocence, 
but she quickly gets to Paris, where 
she can see the lights of the Moutin

## Performs Another Miraculous Cure in the City of Toronto.

Mrs. Lizzie Baxter was a helpless cripple from Rheumatism. She suffered tortures for a year in spite of the best medical treatment. Five boxes of "Fruit-a-tives" completely cured her.

4 Home Place, Toronto, Ont., December 15th, 1909.

"I was a terrible sufferer from Rheumatism for nearly a year, and my right arm was swollen and the pain was fearful. All down the right side, the pain was dreadful and I could hardly move for the agony. I was treated by two physicians, but their medicine did me no good, and I tried numerous other remedies, but received no benefit. I was simply a helpless cripple, and suffered from Rheumatism all during last winter."

'I saw 'Fruit-a-times' advertised in The Telegram and decided to try this remedy. After I had taken one box, I was much better and the pain much less. and I continued the treatment with good hopes. When I had taken three boxes, I was so well that I could use my arm again and the pain was practically gone, and after I had taken five boxes, I was entirely well again-no pain-no suffering-and now I am just as

It may be stated, without hesitation, that "Fruita-tives" is the only remedy that, will actually cure Rheumatism, Sciatica and Lumbago. "Fruit-a-tives is made from fruit juices, and contains Salicine, obtained from Oranges. Owing to its marvelous action on the bowels, kidneys and skin—"Fruit-a-tives" prevents the formation of Uric Acid, which is the prime cause of Rheumatism. And with the stomach clean, the liver active, the bowels regular, the kidneys strong and the skin healthy, it is utterly impossible to have Rheumatism. "Fruit-a-tives" is the only medicine in the world that acts directly on all these organs and cures them. There is no other remedy "just the sar as "Fruit-a-tives" or "just as good" as "Fruit-a-tives
