

**MOTHER
GRAVES'
WORM
EXTERMINATOR**

**PLEASANT SURE
AND EFFECTUAL.**

WORMS attack all ages, from the youngest up to the adult, but more frequently between the ages of three and ten years, and are no respecters of persons; the rich and poor, the proud and humble, alike have to seek relief from their ravages. They are not only a cause of disease, but by their irritation aggravate all other diseases. Their presence deranges the whole system, causing the strong to grow feeble, and the glow of health to fade from the cheek.

The Usual Symptoms of Worms in children are, indigestion, irregular appetite, moaning, and restlessness during sleep, grinding of the teeth, swelling and hardness of the abdomen, with frequent slimy stools, countenance pale, picking of the nose, offensive breath, low spirits, irritable and feverish, frightful dreams, headache, pain in the stomach, urine turbid, convulsive fits, and a gradual wasting away of the flesh, etc. When any of these symptoms are noticed, do not delay in getting relief for the sufferer.

In administering medicine to children, one important thing is to get something that will be pleasant to the taste, and at the same time effectual in accomplishing the end desired. In

MOTHER GRAVES' WORM EXTERMINATOR

These two desirable qualifications are to be found. It is put up in the form of a syrup, and is so agreeable that children will not refuse it; in fact, so pleasant that it will have to be placed beyond their reach or they will empty the bottle. As regards its efficacy, we can say that before placing it on the market the originator gave it a thorough test, with the most gratifying results, and we have no hesitation in placing it on the Canadian market, feeling confident when once introduced it will give such satisfaction that we will not have cause to regret the venture.

This Medicine Does not require the help of any purgative medicine to complete the cure. It effectually destroys the Worms and removes the nests in which their young are deposited, thus relieving the sufferer of their injurious effects.

Mr. Benjamin McKenzie, Kimberley, writes as follows: "About three months ago our child, 18 months old, was taken ill, followed by a fit. Suspecting that Worms were the cause, we got a bottle of Mother Graves' Worm Exterminator, and we had only given a few doses when the result was marvellous, an extraordinary number of large worms having been expelled."

Mr. George Burke, Quebec, writes: "I have used Mother Graves' Worm Exterminator and found it the best thing I ever used for worms."

The pains have left, and he rejoices in the enjoyment of excellent health; in fact he is quite a new man.

Bad Cases.—Mr. C. E. Williams, Druggist, Wingham, says: "Your Vegetable Discovery is selling well, and I know of bad cases of Dyspepsia that it has completely cured."
