Government May Decide to Erect New Residence for Governor-General on Old Rifle Range

OTTAWA, March 23.-It is rumored in Ottawa to-day that irstead of selling the Rockliffe Rifle Range propers which the minister of militia has decided to abandon in favor of an area west of Pritannia, the government may decide to use it as a site for a new Rideau Hall.

The necessity for providing a new official residence for the governor-general was frequently urged upon the Laurier government, and it is known that Premier Forden is also impressed with the desirability of making a change. None of the ministers will, however, comment on the matter, as the purchase of the new site for ranges has not yet been put thru.

### BINKING IDEAL PASTIMI

The Amusement Very Fascinating and the Exercise Beneficial-Good for Young and Old.

This is the season for rinking and the sport is more popular than ever before. Those who never learned roller skating should do so at once. Toronto has as classy a place to epoy this pastime as anywhere in America, as Parkdale Rink compares favorably with the new music hall at Cincinnati, the Metropolitan, New York City, or with the aristocratic Lakeside, Chicago.

Parkdale has everything that goes to make a first-class skating place. This year the rlak has a new floor, which will be surfaced sto a perfect smoothness, and the floor will be always treated with Dustless Anti-Slip and kept white the year around. It is pretty generally understood in Toronto the system operated at this rink, and the system operated at this rink, and as a result the patronage is of a very select nature.
