

- (2) Mathematics, including Arithmetic, Algebra to the end of Quadratics, and the First Three Books of Euclid.
- (3) English Grammar and Composition, with the Outlines of History and of Modern Geography, and an exercise in writing to Dictation. The following text-books indicate the scope of the examination in Grammar and History : Masson's English Grammar, Freeman's General Sketch of European History, Edith Thompson's History of England.

No candidate will be allowed to pass the Matriculation Examination unless he has obtained one-third of the aggregate marks allotted to it, and unless in each subject of every group he has obtained at least one-fourth of the marks allotted to such subject.

No wider range of work is required of Candidates for Honors, but extra Honor papers will be set in all the above-mentioned subjects, and special attention will be paid to translation from English into the languages professed by Candidates. A paper on Chemistry will be set for such Honor Students as may enter for the same, and the marks obtained in it will be reckoned in along with the others in the award of scholarships. Text-book recommended : Roscoe's Elements.

The following is the proportion of marks allotted to each subject in the Honor Matriculation Examination :
