### Miscellaneous Remarks applicable to both Academies.

All who design to become Students in either Branch of the Institution, should enter, if at all possible, at the commencement of the Term, as the regular classes are then organized; pupils, however, will be received at any time. The only pre-requisites for admission into the Primary Department are a good moral character, ability to read and spell, and age sufficient to enable the pupil to prepare regularly for recitation.

Students in good standing can receive an honorable dismissal from the Institution at the end of the Examination at the termination of any term, and at no other time, except in special cases.

Parents and guardians are respectively requested to write to the Principal, should they find it necessary to recall a student in Term-time.

Persons who may not wish to pursue either course regularly, will be allowed to enter any of the Classes, in order, for which they are qualified; but where there is no intimation or desire on the part of the parents or guardians of the youthful students, dictating a modified course, they will be examined, and have their places assigned in the Department which they may be prepared to join, and they will be required to pursue the regular course, as above given, while they may continue in the Institution.

Parents are particularly requested to send every article of clothing marked with the name of the pupil in full.

### Prizes.

At the Anniversary of 1874, DR. RING of St. John, announced his intention of offering a Gold Medal for competition to the Academic students of the ensuing year, proposing that the competitive Examination should extend over the usual range of English studies. This generous proposition was gratefully accepted by the Faculties in the name of the students, as also the handsome offer of a second prize in cash by the REV. MR. LATHERN.
