The Braves Are Beginning To Show Class

#### Evers Joins Team

Brooklyn Loses to Pirates; Phillies Split Double Header With St. Louis; Giants Win Double Header and Make it Eight Straight; Detroit Defeats Yankees

The Braves are beginning to show class again since Johnnie Evers got back on the job. Johnnie may be a crab, but he seems to have a happy knack of instilling pep into a ball club. The Braves are only two games behind Brooklyn and one behind the Phillies. The Pirates and as a result lost several points in the championship race.

The Phillies lost an opportunity of going into first place when they were defeated by St. Louis in the first of their double header.

The Giants administered a double defeat to Cincinnati and made it eight straight games. They are nine and a half games behind the leaders and have a slim chance of clinching the pennant, even if they continue their present gain.

The Detroit Tigers crept up within three points of the Red Sox when they defeated the Yankees in the first game of their series. Detroit looks like a good bet in the American league.

Chicago bested St. Louis in a wild and erratic game. The game went ten innings and the result was in doubt until the last man was out in the tenth.

Cleveland used several recruits from the Southern League and succeeded in defeating Philadelphia.

### ATHLETES PICKED FOR STOCKHOLM MEET

New York, Sept. 18.—Officials of the Amateur Athletic Union consider the team of four men selected to represent the United States in the track and field games at Stockholm, Copenhagen and games at Stockholm, Copenhagen and Christiania in October among the best Christiansia in October among the best all around athletes in America. The team will be composed of Robert Simpson of the University of Missouri; Fred Murray of San Francisco; Fred Meredith and J. G. Loomis. Both Simpson and Murray, the two late additions to the team are holders of world's records. The athletes will leave for Europe on Sept. 29 and expect to return Nov. 18. Fred W. Rulien, secretary-treasurer of the Amateur Athletic Union, believes that Simpson will find no hurdlers in the Scandinavian countries fast enough to compel him to extend himself. Consequently he decided to send Murray along to give Simpson competition in the high hurdles and Loomis to extend the Scandinavian in low hurdles. Murray, the intercollegiate champion, is a crack sprinter and shot putter and is expected to win the 100 yard dash and the high jump and to score points in the running broad jump and low hurdles. Meredith is picked for the quarter and half mile runs and the four together are regarded as almost unbeatable in a half mile relay.

### FORMER ST. JOHN PLAYER MAY BE THE MANAGER OF CUBS

Fred Yapp-Mitchell Said to be Slated For Big League Leadership

In connection with the story of Conkey's proposed offer to "Muggsy" McGraw to become manager of the Chicago Cubs the insiders are circulating a report that if McGraw leaves the Giants his successor may be Fred Mitchell, coach of the Boston Braves and at one time with the old St. John Alerts. Mitchell, it is said, has been recommended to the owners of the New York club. Mitchell once pitched for the Phillies and Brooklyn and caught for the Yankees when George Stallings managed them in 1910.

Mitchell, whose real name is Yapp, was signed by Stallings to coach the Braves pitcher in 1918. He has been with the Braves ever since and also had charge of the victorious Harvard nine last spring.

But on top of the rumor that connects Mitchell's name with the Giants comes another to the effect that he is

being seriously considered by Owner Weegman as the successor to Joe Tinker. It is known that Weegman recently expressed intense dissatisfaction with Tinker and a prominent baseball man suggested Mitchell as a capable manager for the Cubs. Weegman, on the other hand, was favorably impressed with the idea and began to look up Mitchell's record.

If interviewed on the subject now Weegman probably would deny that he had any intention of supplanting Tinker. It is advisable, however, to keep an eye on Mitchell, who seems destined to become a National League manager.

New York, Tuesday, will be fully discussed at Cincinnati on Friday, when the commission and the club owners gather for the annual drafting of minor league players. The situation may result, it was indicated, in the extraordinary procedure of preparing a number of world's series schedules covering National and American league clubs which have a chance to win the right to compete in the baseball classic.

Only three weeks leeway will exist at the time the magnates meet in Cincinnati and it has been suggested that the only way to meet the conditions would be to adopt this broad schedule plan probably including Brooklyn, Philadelphia and Boston in the National League, and Boston, Detroit and Chicago in the American league.

The following list of double-header dates fixed for the playing off of postponed and tied games was announced Tuesday by Secretary Heydler, of the National League:

At Boston, Pittsburgh, Sept. 28-29-30.  
At Brooklyn, Cincinnati, Sept. 19.  
At New York, Cincinnati, Sept. 18; Pittsburgh, Sept. 18-19; St. Louis, 28-29; Boston, Sept. 28-30.  
At Philadelphia, St. Louis, Sept. 18; Chicago, Sept. 16; Boston, Oct. 2-3.

### HAVING DIFFICULTY ARRANGING WORLD'S SERIES SCHEDULE

Owing to the closeness of the two major league pennant races, members of the national commission are handicapped in efforts to draw up a schedule and make other arrangements for the holding of the world's series, less than a month away. Although the date for the opening game has been unofficially set for Saturday, Oct. 7, the commission is unable to determine which clubs will participate.

This problem, it was announced at
