

"DONNY" BUSH SIGNS CONTRACT TO LEAD PIRATES FOR 1927

Leading Track and Field Stars of Canada To Meet In Toronto This Week

FORMER WORLD CHAMPIONS TO HAVE NEW BOSS

Gained Fame as Star on Old Detroit Team Under Jennings

PITTSBURGH, Pa., Oct. 26.—Owen J. (Donny) Bush, manager of the Indianapolis American Association baseball club, has signed a one-year contract to pilot the Pittsburgh Pirates in 1927, Pirates officials announced last night.

"Donny" Bush became famous as a baseball player when a member of the old Detroit Tigers, with which team he played for several seasons, and was considered one of the best shortstops of his day. He was one of the main cogs in that machine when it won the American League championship several times under the guidance of "Hughie" Jennings.

Y. M. C. I. HOUSE LEAGUE IS STARTED

Owls Take Three Points From Sparrows in Opening Game

An auspicious start was made last evening on the Y. M. C. I. bowling alleys when the House League of the Institute was opened when President W. L. Gray, for the Owls, and Past-President J. P. Coughlan, for the Sparrows, rolled the first balls. Although the Sparrows took the first string for a 20 point lead, the Owls came back strong and took three points.

MOUNT A. DEFEATED BY N. S. TECHNICAL

Game Played in Blinding Rain Storm as Collegians Lose, 5 to 3

BACKVILLE, Oct. 25.—Nova Scotia Technical School today defeated Mount Allison rugby team in a blinding rainstorm by a score of 5 to 3. Mount A. was the first to score when shortly after the start Bill Miller made a try, which was not converted. In the second half Tech got their line try as a gift, when the ball was kicked over the line and a Tech forward fell on it.

The try was converted and from then on, although Mt. A. controlled the play, neither team scored. Commander Murray, of Halifax, refereed impartially.

The lineup: Mt. A.—Fullback, Nichols; three quarters, Rices, Stuart, Miller, Smith; halves, H. Morrison, Moore, C. Roper; forwards, Anderson, Dike, Clancy, Freeman, Cameron, Tuttle, MacKenzie, spare, Sexton.

MADDEN KNOCKED OUT. CANTON, Ohio, Oct. 25.—Jack Madden, St. Paul, middleweight, knocked out Tommy Madden of St. Louis in the fourth round of a scheduled ten round bout here tonight.

Bucking The Bike

A novel departure from ordinary methods of training football line-men is in vogue at New York University. Candidates for the eleven square off with a motorcycle in line bucking practice—and are usually pushed backward clear across the gridiron.

GORMAN TO FIGHT

A ten-round battle between Bud Gorman, Kenosha, Wis., heavyweight, and Harry Person, Swedish giant, will be the attraction in the Garden on Nov. 1, unless present plans fail. It is expected that announcement of the closing of this bout will be made soon, when contracts are to be signed. Jim Mahoney, Boston lad, who battered Arthur Dekuh down last Friday night, should be on the card if a suitable opponent can be found for him.

TO TRY COMEBACK

Encouraged by the removal of Harry Willis as a menace and unimpressed by the showing of the heavyweights at the recent Garden carnival, Charlie Weinert, Newark's veteran heavyweight, has returned to training in anticipation of a series of bouts. Manager Billy McCarney plans for him this winter.

DE MAR WILL TRY DISTANCE FIELDS

Veteran Runner's Next Event Will be on Thanksgiving Day

Though he has competed in twenty-three distance races, almost double his usual yearly quota since spring, Clarence H. De Mar, thirty-nine-year-old American marathon champion of Melrose, Mass., is not ready to hang up his shoes for 1926 as yet. Having added the Port Chester marathon to his string of victories on Columbus Day, De Mar will essay a new venture on Thanksgiving Day, when he will start in the annual Berwick modified marathon, of about ten miles, up a mountain side at Berwick, Pa.

Hopesto Break Red's Record

PHILADELPHIA, Oct. 26.—Charles Rogers, the University of Pennsylvania's great running half back, hopes, before the football season is over, to shatter the ground-gaining record of Red Grange. In five games Rogers has torn up the sod for 675 yards and in these contests he played only a portion of the time. Pennsylvania has five more contests on its schedule and Rogers would have to average more than 92 yards in the next four games to break Grange's mark.

REGULATION BALL PARKS

REGULATION ball parks must come sooner or later. The world is making apparent the necessity of such a thing.

By regulation ball fields, I mean parks where the distance from the home plate to the extreme end of the right and left field foul line is exactly the same.

WELFARE OF GAME

THAT is all wet from the standpoint of recent years. Behind the

What is a home run on one ball park, should be a home run on any other field in the circuit.

This would make for equality and would give no home team a certain advantage because of freak features of its park. It would make every home run a real one, decidedly official.

Major league magnates must give this thought much consideration if they have the welfare of the game at heart. The public is going to tire of these cheap home runs and there will be a decided reaction to the detriment of baseball when it does.

U. N. B. AGAIN IN MACTIER CUP FINALS

Games May be Played in Fredericton, But Probably in Montreal

FREDERICTON, N. B., Oct. 26.—University of New Brunswick will be the only ruly team in the Maritime Provinces in the MacTier Cup competition again this year. Word to that effect has been received from the trustees of the MacTier Cup, who have notified that theirs is the only team regularly entered for the competition.

The trustees have further advised that McGill University, as winners of the Quebec section, must play the winners of the Ontario section, either Toronto Varsity or Toronto British, and the winners of that semi-final will meet U. N. B. in the cup final.

Apparently U. N. B. as holders of the trophy, are entitled to have the game here, but if McGill wins it is probable that, in view of the many enjoyable features of last year's trip to Montreal, when the trophy was won, the U. N. B. team might be prepared to go to Montreal again this year and defend the trophy there.

How Harvard Won

There was only one minute to play, as is always the case in the best football stories. It was getting dark and the air was chilly, and Harvard was losing. So far it was an old plot for Harvard, but the new twist came when a led of 20 yards, garbed in a dark jersey, came tearing through the line and ran 47 yards for a touchdown.

Forty-seven yards, and at the end lay Harvard's greatest football victory of recent years. Behind the sophomore substitute of tender 20, whose name is Arthur French, much of the credit is due to a 16-12 triumph over Dartmouth, before 33,000 wild-eyed spectators. On the faded green of Solidus Field the Green of Dartmouth failed before Harvard's smashing attacks, Harvard's unbeatable grit and Harvard's sophomore halfback.

With only one minute to play, in the game last Saturday, Harvard won the kind of game that the fathers of football would have loved. Twice Dartmouth came from behind to catch the flying Harvard men, twice Harvard led, twice it trailed, and between the leadings and the trailings were packed enough great football to last the average observer a full season.

Between halves they played "taps" to the memory of Walter Camp, and it was the kind of game that the fathers of football would have loved. Twice Dartmouth came from behind to catch the flying Harvard men, twice Harvard led, twice it trailed, and between the leadings and the trailings were packed enough great football to last the average observer a full season.
