Moscow, Sept. 20.—(Associated Press By Mail)—The Russian-American population of Soviet Russia now totals more than 20,000 persons. Ludwig Martens, formerly Soviet representative in the United States, who recently has been charged with the colonization of and assistance to the returning emigrants, told an Associated Press correspondent that since about January, 1921, 20,000 persons have come from Ameri-

ca to Russia, thanks to the work of the Technical Aid Society, which has organizations in many American cities. Some of these colonists are sorry they left their homes in the United States and Canada, while others appear per-

Brotherhood Sues Former Grand President for Approximately \$200,000.

(Special to Montreal Gazette)
Detroit, Oct. 18.—If the man who drives spikes along a railroad right of way, or one who helps pump a hand car over a section, had wandered into the court of Judge Henry A. Mandell today, he would have heard something about where the \$8 union dues he pays annually go.

Inside information on this point is being brought out in the trial of the suit of the United Brotherhood of Maintenance of Way Employees and Railroad Shop Laborers against Allen E. Barker, former grand president of the organization, for approximately \$200,000 of its funds, which it charged Barker had converted to his own use.

Before the business depression in 1920, the brotherhood had a membership of 400,000, which made its income \$3,200,000 a year. The money was rolling in; factories were started by the organization to make overalls and other equipment for its men, property was purchased, and it was planned to erect a big headquarters building in Detroit.

Mr. Barker, defendant in the present suit, was paid a salary of \$14,000 a year, and there were fourteen grand vice-presidents drawing a salary of \$5,000 a year each. Barker also had an unlimited expense account.

Checks he is said to have issued are the basis of the suit now in progress. On one score alone—"special organization work"—Barker was given checks totalling \$192,000 in a few months late

To Become Wealthy

At Age 65—

Is an Ambition That is Cherished by Many.

You, perhaps, have the same ambition. At least, you want to be well-to-do later on, and able to enjoy comfort and independence.

What Are Your Chances?

Experience shows that of 100 average healthy men 25 years of age, the following will be true at 65:

- 1 only will be wealthy.
- 4 will be well-to-do.
- 5 will be compelled to go on working for a living.
- 36 will be dead.
- 54 will be dependent upon friends, relatives or charity.

Facing These Facts

Can you afford to go along without a definite plan of saving and investment, uncertain whether you will be well-off or an object of charity?

There need be no such uncertainty about your future if you adopt the safe and definite plan of setting aside a deposit regularly each year for a Canada Life "Endowment at 65."

It will guarantee you in cash at age 65 the sum of \$2,000—\$5,000—\$10,000 or more.

It is a certainty—the full amount of your policy will be paid in any case, whether you live or die. Other investments may depreciate in value or fail. The

Endowment at 65

will take care of your home, your business, or your personal interests, as nothing else can.

Substantial dividends are allotted at intervals.

If these be allowed to remain at your credit each year instead of being withdrawn, the face of the policy will be payable earlier than the date set.
