## PAPER MILL FOR BATHURST?

A Bathurst letter says:—Since the acquisition by the Bathurst Lumber Company, last week, of the Nipigon Lumber Co.'s property, rumors of the erection of a paper mill and pulp mill are rife. It is said that next summer will see a start made in this direction. This means a regular coo for Bathurst. The Bathurst Lumber Company are getting out more than a million feet of hard wood this winter, to be manufactured in their mills here. This is a new industry and bids fair to be some very important, as there are large areas of hard wood on the Nipigon timber limit of this country.

## THE MARRIAGE LAW

Ottawa, Jan. 20.—There may be a reference to the courtship of the matter of the marriage law by the government when Mr. Lancaster's bill is brought in on Monday.

Sir Allen Aylesworth, held that marriage, under the B. N. A. act, came exclusively within provincial jurisdiction. There is reason to believe that Mr. Doherty's view coincides with that of his predecessor. There are those, however, who think otherwise. As a consequence, the courts may be asked to decide the matter, and it is probable that the first case will go to the supreme court, and subsequently, if necessary, to the privy council.

CLAN MACKENZIE  
Clan Mackenzie has completed arrangements for the annual Scottish night in the 25th. Recorder Beatty, K. C., is to be the chief speaker. The programme is to include vocal numbers by Miss Blenda Thompson, Miss Louise Knight, S. J. McGowan and Miss Walker. Music is to be furnished by Mrs. Barnes, Gordon's orchestra and the pipes. J. S. Vincent, is to be the soloist. The following ladies and gentlemen compose the reception committee:—Mr. and Mrs. Macdonald, Dr. and Mrs. MacLaren, Dr. P. R. and Mrs. Jackson, John White and Mrs. Pope Barnes, Mr. and Mrs. Brian Robertson, Dr. and Mrs. Corbett.

WEEK-END BILL  
At the Gem tonight the programme will be composed of "A Brother-in-Arms," a story of Mexico and Indiana, "The Long Stride," an essay on labor drama; and "Western Cavalry," a Latin western comedy. The orchestra will have a new list of hits. A new singer has been booked for Monday.

Toronto, Jan. 20.—Unless relief from existing conditions is soon obtained by the employees of the Toronto Railway Company, the men will take the matter into their hands, and out on strike. At present, he said, some of the men cannot complete a nine hour day's work without being available for duty at the same nineteen hours out of the twenty-four.

## THE EAST AND THE WEST

At a meeting of the Woodstock board of trade this week, Thomas Noddin declared that New Brunswick, and Carleton County in particular, was the greatest country the sun shone on. He had traveled and farmed in the west, and he had found no place like New Brunswick. He had a farm and made money on it. Mr. Noddin said that many of the farmers had more land than they knew what to do with. They raised hay and sold it in Ontario, to feed Ontario beef, which beef was shipped down here, and the farmer bought it at a large price. He did not see the wisdom of that course. He thought it would be much better for the farmer to have a small farm and get rid of his surplus in the home market.
