JOHN AULD,
Inspector of Fish and Fish Oils.

STATEMENT of Leather and Raw Hides inspected at Quebec, during the years ending 31st December, 1876 and 1877.

	1876.	1877
Inspected, Sides Sole Leather.....	51,873	19,826
Measured, do Upper do	12,735	14,065
Inspected, Raw Hides.....	15,437	9,335

REMARKS ON 1876.—The large dimunition in quantity of sides of Upper Leather is attributable to heavy stocks remaining on hand from former years. The supply of Sole Leather, as well as Canadian Raw Hides, approximates to an average of a few preceding years.

Raw Hides have not been received for inspection this year from the United States as during former years.

A. FORTIN,
Inspector.
